President's Report

This year has been a year of consolidation after several years of high achievement led by some committed and tireless members of the Canberra Fisherman's Club. And I think this is a good thing.

I think that it is important to show members that it's great if you put in long hours on the committee, but it is also just as fine to come along to a few outings, attend a meeting every month or so and if you have the time, perhaps sit on the committee and help the Club make decisions.

Our spare time is very precious – the Fishing Club should be somewhere we can relax, catch a fish or two and have some fun. With this in mind, the highlight of the year for me would have to be watching Anthony Heiser pulling in a carp in the middle of a monthly committee meeting that for the first time ever was held outdoors on the shores of Lake Burley Griffin. Surely that's the sort of committee meeting we should aspire to as a fishing club!

In a similar fashion, surely the quality of fish we have caught this year and the quality of our monthly outings should be yardstick by which we measure our success. And haven't we had a mighty successful year! While the results of the NSW ANSA 12-month competition have not yet been finalised, the June update has Canberra Fisherman's Club in equal third position with our friends in the St George Sportfishing Club, behind South Sydney and Wollongong. Pretty damn good for a club that's a hundred kilometres from the ocean!

Notable mentions go to last year's Club President, Anthony Heiser, who is leading the Landbased Game Species division and second in the Trout length competition; Zachary Zhao, who is a close second in the Sub-Junior division and Chris Lemmon, who is third in the Carp length division with a massive 70cm mud marlin.

Of course this success doesn't happen without a lot of back office help:

- In particular, we should thank Club Recorder John Bosch for keeping on top of all the captures entered this year – and feeding all these captures through to NSW ANSA. On a personal level, I would also like to thank John as Vice President for standing in for me when worked called me away from last year's Burrinjuck Convention and when a long-delayed holiday calls me away from next month's Presentation Night.
- Zane Zhao was the Secretary that every President hopes for. He was relaxed, took great minutes at the Committee Meetings and was a whiz with MailChimp. Thanks Zane!
- Sarah Borman once again, not only took on the role of Treasurer, but was also this year's Burrinjuck Chair. Once again Burrinjuck ran like clockwork and once again turned a very tidy profit for the Club. Thank you Sarah.
- Of course the other big contributor to the profitability of Burrinjuck was Sponsorship Officer, Mick Jewry – Canberra Fisherman's Club's Mr Fixit. I think at some stage

we've all heard him say "I'll take care of it, don't worry about it". Fantastic words to hear and a fantastic bloke – thanks Mick, really appreciate all you've done.

- Mel Marlborough took care of accommodation for our outings this year and doubled up as this year's King Rat. No secret was safe around Mel – I can confidently say that Santa already has a healthy budget for this year's Christmas Party!
- Steve Bailey and Chris Lemmon took on the role of Committee members. 2018-19 has been a busy year for them and they both enthusiastically gave the Club their spare time to help us make the right decisions.
- I would also like to thank my wife Karen. Not only did she agree to join the Committee, but she also put her hand up for the Editor's job when no one else would. As Editor, she put in a huge effort dealing with unfamiliar software and a website that only a programmer could understand. And on top of all that, I have been told that she worked tirelessly at Burrinjuck Convention setting up, selling raffle tickets, working the kitchen and pretty much doing anything else that needed to be done. Karen, the whole Club thanks you for all you've done.

Finally, those keeping count would realise there is one last committee position left to make up the ten permitted by the Club's Constitution. You may not realise it, but this position has remained vacant the whole year. And yet the Club survived! So if you have the time for an additional meeting each month, but you're unsure whether you have much to offer – stick your hand up. I can assure you, you will be more useful than an empty chair and you'll enjoy the experience.

There are two decisions made by the Committee that I would like to bring to your attention:

- Firstly, the Committee decided to change the rules for the Skipper's Award to award the same number of Skipper's points to Skippers as the number of all tackle points awarded to new members that are guided by them. This means – take new members fishing to your best spots at outings to be in the hunt for the award.
- Secondly, ANSA membership will be given to all members of the Club automatically as part of their normal membership with no separate additional charge.

Finally, I'd like to take this moment to recognise the passing of long-time Club member and dear friend Keith Smith. He will be sadly missed, particularly at Club outings.

Thank you for the opportunity to be your President last year. Let's keep the NSW Recorder busy!

Glen Malam

2018-19 Canberra Fisherman's Club President

Secretary's Report

2018-19 has been a good year for the club, we've move meeting location which I believe everyone is quite happy about and we have continued to have junior members participating in club fishing events which has certainly made outings more interesting and I hope that this will continue in future years. However, we did sadly have one of our long-time member (Keith Smith) pass away and his attendance in all events will be sorely missed.

Burrinjuck Convention: The club successfully ran the 44th Burrinjuck Convention in November. The number of members helping out was down this year due to regulars moving interstate and others having travel commitments but those club members attending pitched in and made it a successful event that was enjoyed by all of those attending. While short on hands, we certainly were not short on club spirit and I felt that the event ran just as smoothly as it did in previous years.

Planning is currently underway for the 45th Burrinjuck this year and I am sure it will be a success as well.

Club Membership: This year the club committee also decided the club will pay for ANSA membership for all members of the club. The committee hopes that this will encourage more participation in the ANSA rules style of fishing by all our members. This combined with plans to push for more exposure online for the club will hopefully increase the club's membership numbers in the coming years.

It has been many years since I have taken up the role of secretary so while I was not new to the role, it certainly felt like I was new.

2018-19 has been a year of change for the club, we changed our meeting locations, changed our association with various sponsors and we've even tried having committee meetings by the lake so that we can meet and fish at the same time. I believe the committee have been focused on the club's future and I believe we are heading in the right direction.

I would encourage all members to consider joining the committee at least once in your time with the club, it gives you a voice in how the club is run; with new committee members comes new ideas and with the right ideas I am sure we will set the club up for success year on year.

Finally, thank you to everyone for supporting the club and me as the secretary, I know I haven't been perfect so thank you for having me. I wish everyone a good fishing year in 2019-20.

Zane Zhao

Treasurer's Report

The Club made a net profit of \$915 in 2018-19, and a net loss of \$4355 in 2017-18.

The Club ran a successful Burrinjuck Convention in 2018, making a profit of \$7,184.51, compared with profit of \$7,814.18 in 2017. I thank everyone who volunteered their time at the Convention, this event generates the revenue needed to meet our Club's operating expenses each year.

The Club's financial position continues to be very healthy, with net assets totaling \$20,086, compared with \$19,431 in 2017-18. We had no other fundraising activities in 2018-19.

The Club's accounts have been audited, and the audited financial statements are attached. I have also attached a profit and loss statement for the Burrinjuck Convention generated out of our accounting software (Xero).

Finally, I thank everyone for their support and efforts at Burrinjuck and wish everyone a successful year ahead.

Thanks,

Sarah Borman

Dear Anthony

RE: Audit of Canberra Fisherman's Club Inc for the years ended 30 June 2019 and 30 June 2020

We thank the Association and members for their assistance in the preparation of the accounts for our audit for the years ended 30 June 2019 and 30 June 2020. We note that the stock on hand has only been estimated as we were unable to quantify this amount with the information available. We recommend that a proper system for your stock be implemented. We can provide the Association with assistance to create this.

We note that the quality of the information uploaded into Xero from 2020 onwards greatly helped in our audit.

We again thank the Association for their assistance and to the treasurer Anthony Heiser on his assistance in forwarding the information to us quickly and efficiently.

If you have any queries please contact Gail Freeman at our office on (02) 6295 2844.

Kind regards
Yours sincerely

Note 1: Summary of Significant Accounting Policies

Basis of Preparation

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporations Act . In the opinion of the committee the association is not a reporting entity because it is not reasonable to expect the existence of users who rely on the association's general purpose financial statements for information useful to them for making and evaluating decisions about the allocation of resources.

The financial report has been prepared in accordance with the Associations Incorporations Act , the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: Presentation of Financial Statements, AASB 107: Accounting Policies, Changes in Accounting Estimates and Errors, AASB 1031: Materiality and AASB 1054: Australian Additional Disclosures.

The association has concluded that the requirements set out in AASB 10 and AASB 128 are not applicable as the initial assessment on its interests in other entities indicated that it does not have any subsidiaries, associates or joint ventures. Hence, the financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

The association has not assessed whether these special purpose financial statements comply with all the recognition and measurement requirements in Australian Accounting Standards.

The financial report has been prepared on an accrual basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

(b) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Operating Grants, Donations and Bequests

When the association receives operating grant revenue, donations or bequests, it assesses whether the contract is enforceable and has sufficiently specific performance obligations in accordance with AASB 15.

When both these conditions are satisfied, the association:

- identifies each performance obligation relating to the grant

Canberra Fisherman's Club Inc ABN 49 486 060 185
Notes to the Financial Statements
For the year ended 30 June 2019

- recognises a contract liability for its obligations under the agreement
- recognises revenue as it satisfies its performance obligations.

Capital Grant

When the association receives a capital grant, it recognises a liability for the excess of the initial carrying amount of the financial asset received over any related amounts (being contributions by owners, lease liability, financial instruments, provisions, revenue or contract liability arising from a contract with a customer) recognised under other Australian Accounting Standards.

The association recognises income in profit or loss when or as the association satisfies its obligations under the terms of the grant.

Interest Income

Interest revenue is recognised using the effective interest rate method.

Income from Sale of Goods

The association sells t-shirts to its members. Revenue is recognised when control of the products has transferred to the member. Revenue from these sales is based on the price stipulated by the association.

Donations and bequests were recognised as revenue when received.

(c) Leases

The association as lessee

At inception of a contract, the association assesses if the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the association where the association is a lessee. However, all contracts that are classified as short-term leases (lease with remaining lease term of 12 months or less) and leases of low value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially the lease liability is measured at the present value of the lease payments still to be paid at commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the association uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date
- the amount expected to be payable by the lessee under residual value guarantees
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options
- lease payments under extension options if lessee is reasonably certain to exercise the options and
- payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

Canberra Fisherman's Club Inc ABN 49 486 060 185
Notes to the Financial Statements
For the year ended 30 June 2019

The right-of-use assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the association anticipates exercising a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

(d) Goods and Services Tax (GST)

The association is not registered for GST as it has no obligation to be registered for GST based on its income.

(e) Income Tax

The association is not required to lodge income tax returns as it is exempt from income tax. It is not a charity and meets the requirements of a not for profit association established for the purpose of encouragement of a game or sport.

Statement by Members of the Committee
For the year ended 30 June 2019

The Committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the Committee the Income and Expenditure Statement, Statement of Financial Position, and Notes to the Financial Statements:

1. Presents fairly the financial position of Canberra Fisherman's Club Inc as at 30 June 2019 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that the association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Glen Malam, President

Sarah Borman, Treasurer

The accompanying notes form part of these financial statements.

Independent Auditor's Report to the Members

Report on the Audit of the Financial Report

Opinion

I have audited the financial report of Canberra Fisherman's Club Inc (the association), which comprises the Statement by Members of the Committee, the Income and Expenditure Statement, Balance Sheet as at 30 June 2019, a summary of significant accounting policies and the certification by members of the committee on the annual statements giving a true and fair view of the financial position and performance of the association.

In my opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the association as at 30 June 2019 and its financial performance for the year then ended in accordance with the accounting policies described in Note 1 to the financial statements and the requirements of the Associations Incorporation Act 1991.

Basis for Opinion

I have conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my ethical responsibilities in accordance with the Code.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Qualification

As is common for organisations of this type it is not practicable for Canberra Fisherman's Club Inc to maintain an effective system of internal control over cash received until their initial entry in the accounting records. Accordingly, my audit in relation of this type of income was limited to the amounts recorded in the accounting records.

Emphasis of Matter – Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist the association to meet the requirements of Associations Incorporation Act 1991. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

Responsibilities of the Committee for the Financial Report

The committee is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the Associations Incorporation Act 1991 and for such internal control as the committee determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

Canberra Fisherman's Club Inc ABN 49 486 060 185
Independent Auditor's Report to the Members

In preparing the financial report, the committee is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.

Recorder's Report

This was my fifth year as the Club's recorder, with a break the year before while Michael Peel took the reins for a while. It has again been my pleasure to hear of, and record, some great captures during the past season and year.

From a sheer number of fish caught perspective the most effective outing this year was the Burrinjuck Convention where the Club caught an impressive total of 50 fish. Narooma followed closely with 43 captures. Given that Narooma had half the number of attendees though, I would still call it the Club's most successful outing. Outings accounted for 222 of the captures in total.

In total there were 362 captures this year, which is down significantly on the 521 recorded last year. European Carp were again the most prominent species, making up just under a third of all captures. Dusky Flathead followed up a not so close second. This year's captures were spread across just 26 anglers who captures 43 different species of fish. Only 74 of the 362 captures, or just 20% of all captures, were caught while using pre-test line. This means that only one in five of our captures was potentially eligible for the ANSA 12-month competition.

Interestingly, of the 74 fish caught on pre-test line 23 of them resulted in a masters. So, when we fish pre-test, we see good results. Only one masters capture exceeded the exceptional 250-point benchmark – that of a Fiddler Ray by Brian Stacy.

Only a single new entry was added to the all-time board fish listings this year – a 4 kg Bronze Whaler Shark by Brian Stacy. The all-time length board is also continuing to flesh out with entries starting to slow. There were just ten new entries to the board this year, the great majority of which went to John Vogel after this trip to far north Queensland.

Just a single new club record was established this year. That being a Long Tom caught by yours truly at Tathra during the Eurobodalla Fishing Bonanza.

That's it from me for a while. I give a final congratulation to all trophy winners and to those who have achieved masters or other awards as the year rolled on. Even if you didn't win something, well done on getting out there and having a go at it. It certainly beats working!

Good luck to you all in the coming fishing year. I look forward to seeing your captures.

John.

Reports and Information

The 44th ANSA Burrinjuck Convention

by Anthony Heiser

Narelle Tate (Canberra Fisherman's Club) with a 4.36 Carp, which won her the trophy for Highest Point Scoring Carp Ladies.

One hundred and fifty-seven anglers from 14 fishing clubs across New South Wales and the Australian Capital Territory lined up for the ANSA NSW Convention at Lake Burrinjuck hosted by the Canberra Fisherman's Club. The Convention was held over the weekend of 2-4 November 2018.

Friday afternoon set up proceeded smoothly and without fuss. However, blue skies and sunshine over Lake Burrinjuck soon gave way to a double whammy of smoke from the Pearce Creek Bush Fire and the haze of a dust storm.

Acting President John Bosch welcomes the 157 anglers to the 44th ANSA Burrinjuck Convention.

If that wasn't enough, the day finished with an almighty thunderstorm. But thanks to the skilful workmanship of the members who set up the marquees, the storm caused little drama and acting President John Bosch welcomed everyone to the Convention. In addition, John thanked our many sponsors for making this event possible.

The rains and clouds cleared by Saturday morning, but not so the winds, blowing up to 20-25 knots. Still, many anglers weighed in some impressive fish on Saturday afternoon. The wind eased off

by Sunday morning, and the captures continued to roll in.

Over the weekend, anglers weighed in 448 fish: 287 European Carp, 141 Golden Perch (including 74 fish entered into the catch and release section, 19 Redfin Perch, and one Brown Trout caught by Shane Cosgrove of Toongabbie Sports Fishing Club weighing 1.82 kg.

This marked a new milestone for the Convention: the first time the Trophy for Heaviest Salmonoid was finally claimed since it was introduced eight years ago.

There were many other notable captures and many anglers making strong claims for the various trophies on offer.

The Highest Point Scoring Fish Fly Casting Trophy was strongly contested between Bruce

Robinson (*Happy Hookers Fishing Club*), Kimberley Stolk (*Wollongong Sportsfishing Club*) and Terry Tatton all caught 4 kg plus Carp.

Paul Breeze and Narelle Tate (*Canberra Fisherman's Club*) also caught some 4 kg plus Carp.

In addition, the Native Catch and Release Total Length Trophy looked certain to return to Harden when Paul returned a capture sheet with 541 cm of Golden Perch.

Burrinjuck Chair Sarah Borman addressed the anglers prior to the presentation of prizes. She thanked the anglers, sponsors, Burrinjuck Waters State Park, and the Canberra Fisherman's Club volunteers for making the 44th ANSA Burrinjuck Convention a success.

However, John Hartley (*Ocean Beach Hotel Fishing Club*) knocked Paul's lead with a capture sheet of 722 cm of Golden Perch. Despite this, our Club still achieved a healthy trophy count, winning:

- Heaviest Carp Senior: Paul Breeze
- Heaviest Redfin Senior: Narelle Tate
- Highest Point Scoring Carp – Ladies: Narelle Tate
- Highest Point Scoring Carp – Senior: Paul Breeze

In addition, Narelle Tate came third for the Rangers Trophy for Highest Aggregate Point Score 285.5 points. Thanks to the strong performance of Paul Breeze and Narelle Tate, the Club came third for the Champion Club with 14 points.

Anglers from *Toongabbie Sports Fishing Club*, *Happy Hookers Fishing Club*, and *Botany Bay Sportsfishing Club* also took home a nice selection of trophies. However, *Wollongong Sportsfishing Club* took home the lion's share, including the St George Trophy (AKA Burrinjuck Bell) was Wollongong Sportsfishing Club with 36 points.

- Wollongong Sportsfishing Club: 36 points
- Botany Bay Sportsfishing Club: 26 points
- Canberra Fisherman's Club: 14 points
- Ocean Beach Fishing Club: 8 points
- Happy Hookers Fishing Club: 6 points

The Canberra Fisherman's Club thanks all our sponsors who so kindly donate product and services to help make this event successful. Without the sponsors this event would not be able to run. The Club looks forward to hosting its 45th ANSA Burrinjuck Convention in 2019.
