About the Club

The Canberra Fisherman's Club Inc. is a sportfishing club that endeavours to promote a social awareness among its members, single or family. General meetings are held on the second Tuesday of every month at the Canberra Club in the City, beginning at 8.00pm. All members and visitors are most welcome.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sportfishing Association (ANSA) affiliation fee, also able to set Australian records and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the *Recfish Australia National Code of Practice for Recreational and Sport Fishing*, which endorses:

1. Taking no more than our immediate needs
2. Understanding and observing all fishing regulations and reporting illegal fishing activities
3. Supporting and encouraging activities that restore and enhance fisheries and fish habitat
4. Preventing pollution and protecting wildlife by removing rubbish
5. Using established roads and tracks
6. Taking care when boating and anchoring to avoid damaging sensitive areas
7. Reporting environmental damage and pollution to the relevant authorities
8. Avoiding interactions with threatened species and their critical habitats
9. Quickly and correctly returning unwanted or illegal catches to the water
10. Using only legal tackle, attending our gear and valuing our catch
11. Practicing courtesy towards all those who use inland and coastal waters
12. Obtaining permission from landholders and traditional owners before entering land
13. Caring for our own safety and the safety of others when fishing

President's Report

CFC WEBSITE – WWW.CANBERRAFISHOS.COM

As announced via email, our new website is up and running. By the time this newsletter hits the print, the new format should be available, replacing the temporary page, which has been up until now. From now on, the newsletter will be available to download from the website, rather than being emailed each month. You will receive an email notification when each month is available.

I'm hoping the website will continually evolve, within the limits of our storage and download capacity. Our web host, Go Hosting, has provided us 12 months free hosting, provided we stay within certain limits. Contributions or suggestions are always welcome. If we outgrow the free package all the better, because it will mean some good content has been added. Email any ideas to info@canberrafishos.com. Feel free to let your friends know about the website.

"CANBERRA CARP OUT" – 16TH MARCH

Things are rolling along nicely as far as planning goes for our Canberra Carp Out, which will be held on Sunday, 16th March at Lennox Gardens, Lake Burley Griffin. Once again, I am asking for as many volunteers as possible to help out on the day for tasks such as cooking the BBQ, taking registrations, providing assistance with knots, rigs, baits or manning the weigh station. Please give me a call or email if you can help out. Many hands make light work!

Tackleworld Canberra will be providing \$5,000 cash as well as other great prizes. Keep an eye out for the TV ads on WIN, coming soon. Rob Paxevanos will be there to provide advice and keep the kids entertained. Other sponsors include Capital Chemists and Long Park Meats. Entry forms will be available from sponsors, or downloadable from our website, www.canberrafishos.com. The event will also be listed in the Celebrate Canberra festival program.

MEETINGS AND OUTINGS

Our next outing is the Narooma Convention (**29th-Feb – 2nd Mar**). The Olympic Cabin is pretty much full. Contact me if you still require accommodation. Entry forms have been sent to meet the early bird deadline. If you didn't put in a form at the last meeting, you will need to make your own arrangements. Entry forms and details are available on the website.

We agreed at the February meeting to gather for a dinner at O'Brien's Hotel on the Friday night, 7:30pm. The convention will also see the competitive return of Chris De La Rue, who has kindly offered to provide some tuition in the black art of light line beach fishing if anyone is interested. We can arrange on the day, or give Chris a call if interested. I'd really like to see CFC feature strongly in the result's, so don't be afraid to ask if you want help catching fish!

Finally, don't forget our April outing to the new location of Windamere on the ANZAC Long Weekend, 25th-27th April. Accommodation will need to be confirmed by the March meeting. May's outing coincides with the Bermagui Yellowfin Tournament, to be held on 17th-19th May. Details soon.

Our next meeting is on Tuesday, 11th March, with the April meeting on the 8th April. All club events are up on the Calendar page on the website. If anyone has any requests for special topics or discussions at the meetings, let me know. I know you all must get sick of listening to me!

RIVERINA SPORTFISHING

Special thanks to Jamin Forbes for his presentation at the February meeting! I hope those who attended found it entertaining and educational. I certainly learned a few things and am now all excited to give river fishing for cod a go. Jamin is based in Wagga, which is only a couple of hours drive away, within easy reach for a weekend session. I understand 2 members have already booked a trip!

Jamin can be contacted on 0427 692 522, or via his website, www.riverinasportfishing.com.

Good fishing!

Shane

“Secretary’s Report”

Hi all,

Last month I was hopeful of a good trip to Merry Beach, our yearly stay on the beach. Well, the fishing was pretty ordinary, and made worse by some huge seas and a few days of rain. On the brighter side, I did get to see how Hammerhead sharks chase down their prey as one cleaned up 4 of my live baits in one session on the rocks. It was only a small one, about 4 ½ feet. I hooked up twice, once for 30 seconds, and another for 10. My mono trace wasn’t a match for it’s sharp dentures, but it was fun.

I’ve just returned from the February outing to Bega River and Brogo. It was a great success, with 9 of us staying at Tathra, and another staying at Brogo. Fishing was pretty hard in the Bega River, which still had a lot of freshwater in it due to recent rains. Brogo on the other hand fished well for those lucky enough to get there on Friday. I went up on Saturday afternoon with high expectations of my first Bass. Needless to say, I’m still waiting for my first Bass. It was a lesson on how the weather can affect the fishing. On Saturday afternoon a lot of cloud come over, the temperature dropped, and I wouldn’t have been surprised if it had started rain. Even those that fished Brogo on Friday found the fishing hard, with a lot less fish caught. I’ll be back next year, as I did witness one being caught. Charlie Curtis managed to get one, and I want a smile like he had on his dial, proclaiming that this little 30cm Bass put up a fight like a 1 Kg Bream.

I also mentioned last month that you shouldn’t hesitate if you’re considering coming along to an outing for the first time. Apart from a lot of fishing, there is also a social side to the outings, and they’re good opportunities to learn from other members. The next outing is the Narooma Convention on 29 Feb, 1 and 2 March. It’d be great to see some new faces, the more the merrier. Also, it’s about time that the CFC won that convention again; it’s been a while!

Well, that’s me for this month. The new website should just about be done by now, so I’m off to check that out.

Cheers.

Greg Davis

Work fills in time between fishing trips.

Does this count as my first on a popper?

Recorder's Report

Hi All

Tuross Outing

The January outing to Tuross was always going to be popular after the success that was had last year (Two Jewie, 4.90kg Flathead etc). Sixteen Members attended the Outing and recorded 35 fish, including 28 Dusky Flathead, 8 Yellowfin Bream, 2 Flounder, 1 Yellow-Eye Mullet, 1 Silver Trevally, 1 Smooth Ray, 1 Brown Ray, 1 Sand Whiting, and 1 Black Bream.

Ben Lemmon caught the heaviest Flathead at 2.58kg on 2kg. Other kilo plus Flathead caught by Ashley Lemmon 1.57kg on 2kg, Chris Head 1.90kg on 2kg, and Andrew McGovern 1.09kg on 1kg.

The standout captures apart from the Flathead were two Rays caught by Andy McGovern. The first being a Smooth Ray of 11.40kg on 1kg (Lurecasting), and the second a Brown Ray (otherwise known as an Estuary Ray) of 6.74kg on 1kg.

Chris Lemmon didn't catch any spectacular fish but he scored himself 7 All Tackle Points for the Outing, which was equal with Andy McGovern. Ashley Lemmon scored 4 All Tackle Points putting her out in front of the pack in the Sub-Junior All Tackle.

CFC Carpathon

The Carpathon was held on the 20th of January with 28 Members and Visitors attending (14 were Juniors). Unfortunately the weather wasn't the best, it was really unsettled and it didn't help the fishing.

There were 17 Carp caught in total for a total weight of 33.70kg, the average weight being 1.98kg. (Last year we had 40 anglers, 26 Carp caught, for a total weight of 44kg, average 1.69kg)

The winners were as follows:

Team - Steve & Friends	9.84kg (5 Carp)
Male – Steve Borkowskis	9.84kg (5 Carp)
Female – Karen Harper	1.92kg (1 Carp)
Jr Boy – Robert P Taylor	3.70kg (2 Carp)
Jr Girl – not awarded.	
Encouragement Award – Liam Walton	(With a Carp of 1.78kg)

Other Captures

Jamie and Tom Stanfield fished Burrinjuck mid January and Tom caught a Murray Cod of 2.40kg on 2kg, a European Carp of 1.50kg on 1kg, and a small Redfin at 0.10kg on 1kg. We haven't had many Masters Cod in the last few years, so well done Tom. These captures have taken Tom to the lead in the Junior Championship, which is looking very close this year!

Personally I haven't had much time to fish lately but I have managed to squeeze in a few Carp sessions. Some of the better Carp I've landed since the last Newsletter were 5.96kg on 4kg, and 6.88kg on 2kg.

Darren Hossack and Andrew McGovern fished Burrinjuck Dam and targeted Carp lurecasting. Darren's captures included Carp of 2.40kg, 3.45kg, and 3.68kg on 1kg. Andy's Carp weighed in at 2.81kg, 3.05kg, 3.25kg, and 3.62kg on 1kg.

Andy McGovern also fished Windamere Dam with Chris Lemmon. Unfortunately the Golden's were not co-operating, but they managed a few large Eel-tailed Catfish to salvage the trip. Andy's Catfish weighed in at 2.41kg, and 2.48kg on 1kg. Chris' Catfish went 1.96kg on 1kg. Andy also landed one 'small' Golden of 1.89kg on 1kg.

Brian Stacy had a session with Stewie Hindson at the Tuross Outing and applied his newly acquired knowledge just a few days later to catch a Black Bream of 1.08kg on 1kg whilst popper fishing in the shallows on the Clyde River. Hazel Stacy landed a Boardfish Sand Whiting of 0.50kg.

Shane Jasprizza, Chris De La Rue and I fished the ACT Boat Hire Monster Carpathon on the 17th of February along with 300+ other anglers. We were hoping to take out the \$1200 cash prize! We ended up landing 16 Carp between us. Shane's captures included Carp of 5.30kg and 5.80kg on 1kg, and I landed the heaviest Carp of the event at 7.70kg on 2kg (Unfortunately there was no prize for the heaviest fish!). Shane was lucky enough to win one of the hourly prizes which comprised of a Rod, Daiwa Reel, Plano Tackle Box, a couple of hats and \$100 Cash!

I have included a list of Championship Captures to date; hopefully this may be of some use if you've lost track of what you have caught this year. You will only see your highest pointscoring fish of each species. Please remember that Senior Members captures must be 25 points or over to qualify, and the fish must be caught within NSW/ACT, otherwise they will not appear in this list.

It will be interesting to see the results of the February Outing to Brogo / Tathra, I haven't heard any reports yet. Good luck over the coming month, I'll see some of you down at the Narooma Convention.

Cheers
Steve.
