## About the Club

The Canberra Fisherman's Club Inc. is a sport fishing club that endeavours to promote a social awareness among its members, single or family. General meetings are held on the second Tuesday of every month at the **Eastlakes Football Club No 3 Oxley St Griffith ACT** beginning at 7:30pm. All members and visitors are most welcome.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sport fishing Association (ANSA) affiliation fee, also able to set Australian records, and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

## Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the Recfish Australia National Code of Practice for Recreational and Sport Fishing, which endorses:

1. Quickly and correctly returning unwanted or illegal catch to the water
2. Quickly killing fish that are kept for consumption
3. Using only appropriate, legal tackle, attending gear and valuing the catch
4. Taking no more than our immediate needs
5. Supporting and encouraging activities that preserve, restore and enhance fisheries and fish habitat
6. Understanding and observing all fishing regulations and reporting illegal fishing activities
7. Preventing pollution and protecting wildlife by removing rubbish
8. Taking care when boating and anchoring to avoid damage to wildlife and habitat
9. Using established roads and tracks
10. Reporting environmental damage
11. Avoiding unnecessary interactions with wildlife species and their habitats
12. Practising courtesy towards all those who use inland and coastal waters
13. Obtaining permission from landholders and traditional owners before entering their land
14. Caring for our own safety and the safety of others when fishing.

# *President's Report*

Hi all,

Welcome to the first Newsletter for 2011. I hope you all had a happy Christmas and a great New Year. I've had a short break to recharge the batteries, and I'm glad that I did. The beginning of the year is fairly busy with a couple of outings throughout January, and February and March is all about the Carp-Out, with a couple of great outings thrown in as well.

## **Tackleworld Information Night**

Tackleworld, our major sponsor, is having an information night on the 4<sup>th</sup> February. Matt has arranged for Tim Morgan from BLA to come down and talk about Humminbird and Minn Kota products. We're doing a sausage sizzle for a couple of hours, and the presentation should start around 6:30 PM and go until approx. 8:00 PM. After this, the shop will be open for an hour, and if you go shopping during this period you may be in for a great bargain.

## **Carp-Out**

Planning is well underway for the 2011 Canberra Carp-Out. We have finally secured Lennox Gardens again, so we're now finalising the sponsors and adding the final touches to the advertising. I expect we'll start advertising the event early February and start accepting entries from that point forward. The event will be very similar to last year, and we're working hard once again to make sure this event keeps growing as it has over the last three years.

This year's event is on Sunday March 20<sup>th</sup>. At the February general meeting we'll be looking to get some volunteers to run this event, I hope you'll be able to provide some time throughout the day to assist. It's a fantastic event that puts so much back into the community. This is not only the great donation we make to charity, or the additional funding we provide for fish stocking, but getting people out there and enjoying the great facilities available in Canberra, and promoting the fantastic sport/hobby/pastime of fishing. It'll be great to see you there.

## **Fish Stocking Raffle**

Once again we'll be running a Fish Stocking Raffle to be drawn at the Carp-Out. We have secured some great sponsorship once again from Wetspot Watersports, with the major prize being a very sought after Hobie Mirage Outback kayak, with a trolley, PFD and rod holder. Second prize this year is a full day charter with Greg Reid from Bay and Basin Sportfishing, with a half day in Jervis Bay, and a half day in St Georges Basin. And third prize is a half day charter with Stuart Hindson from Aussie Fish Estuary Adventures for up to 3 people. Tickets will be \$2.00 each, and will be available in the next week or so. Once I have the tickets, we'll do a general email-out seeking assistance to sell the tickets, so if you would like a small book of tickets to sell to work colleagues, customers or friends, keep an eye out for that email.

## **Recent and Future Outings**

On the 16<sup>th</sup> January we held the annual Carp-a-thon. This was the first year that I'd attended this event, as we're usually down the coast camping. What a great little event. It's very social, heaps of times for a chat, a sausage sizzle, and if you're lucky, you get to catch a fish. Team Davis consisting of Rose, myself and our grandson Tyson, fished hard but didn't manage to turn a reel. Obviously the fish didn't get the memo about the event, something we'll need to work on for next year. Steve has all the details of the captures, so I won't steal his thunder. What I am very pleased about is that through the event we got three new members, Shane Solodchuck, Ava Lyons and their youngster Jake. Welcome to the Club guys.

Last weekend, the 22<sup>nd</sup> and 23<sup>rd</sup> January, we were down at Tuross. A total of 14 members fished this outing, catching a total of 37 fish. There were a lot more fish caught, especially Whiting, however they were just undersize. The water in Tuross is currently very discoloured, with most of us using this as the excuse for our poor captures. Hopefully this will all settle in the next couple of weeks and Tuross will fish better. I hope so; Rose and I had such a good time that we've booked in again for a couple of days after the Narooma Convention.

On February 19<sup>th</sup> and 20<sup>th</sup>, the outing is down at Bega, Tathra and Brogo. We've currently got 6 names down for this event, and Keith will be booking the accommodation in the very near future. For some reason the February outing attendance is usually on the low side, as it appears to be again this year. It's a great outing, I really like Brogo. Accommodation will be available, there is usually no shortage just after the school holidays, so if you are keen, let us know at the next Club meeting, or contact Keith or myself.

In early March, the 4<sup>th</sup> to the 6<sup>th</sup>, it's off to the Narooma Convention again. This is usually a great outing, and occasionally the CFC wins the ANSA competition. We have 13 names down already. Not all of those need accommodation, and as we have an Olympic Cabin booked at Island View, there will be accommodation available.

Well, that's it for me this month.

Cheers

Greg Davis

President

## Secretary's Report

Hello all members & visitors,

Well Happy New Year to you all and trust that everyone had a good Christmas / New Year and that 2011 will be a year for you all to achieve a personal best fish capture. Something that I hope to achieve this year is to capture a kingfish, doesn't matter what size but just so I can say I have caught one.

### Local Lake Fish Stocking.

As you all should be aware on January 6 a total of 23,000 Murray Cod fingerlings were released, with approximately 7000 released into Yerrabi and the remaining released into Lake Tuggeranong. This is part of the ACT Government's Fish Stocking Plan 2009-2014.

As quoted from the media release **"Since 2008 the ACT Government, with the assistance of the Canberra Fisherman's Club, has stocked 125,000 fingerlings in Lake Tuggeranong, Lake Ginninderra, Yerrabi Pond and Gungahlin Pond."** Mr. Stanhope said. **"This is something the club should be very proud of"**.

Something else that will be of interest to members is that the recent fish survey of Yerrabi Pond found that previous stockings of Murray cod are starting to pay dividends with captures of around 40 – 50 cod in the 40 – 50cm range being achieved during this survey. So in another year or two we should have a healthy number of legal sized cod in this waterway with other stocked fish to follow in their footsteps.

For those of us that were lucky enough to be able to attend the release of the fingerlings at Yerrabi Pond, we were treated to be able to see the procedure of calcium marking of about half of the fingerlings. This if I have it correct is a three part process,

1. Fingerlings go into a saltwater solution to dry them out to assist with them being able to absorb the calcium. Approx 3 min

2. Then they go into the calcium solution which looked like a glycol green which turned yellow as they cooked for approx 3 min

3. Finally they have a rinse in some fresh water before being released. What this does is impregnate the bone of the fish. So when the fish is recaptured the scientist using a blue light and some special glasses can tell this was a stocked fish and not a naturally stocked fish.

I am away on holidays for the last part of January hopefully finding some time to fish. So see you all at the February meeting hopefully swapping some fishy stories

Chris Head

# RECORDERS REPORT

**Hi All**

To start with I should apologise for missing a report in the December Newsletter, work and personal commitments have really taken over in recent months leaving little time for fishing related activities. I have managed to get out a few times, but quite often I haven't had much time to prepare physically or mentally so they've tended to be pretty ordinary trips. A few half day trips to Burrinjuck chasing Carp on plastics would probably be the highlight, good just to go for a walk and get away from it all.

## **Recent Outings**

### **December Outing – Burrinjuck Dam**

The trip back to Burrinjuck was an enjoyable one despite the lack of fish co-operating, there were a few undersized Cod caught by our members, I think the Lemmon's caught a couple. I caught a lone Golden of 0.73kg, and there were plenty of Carp to go around if you wanted to notch up a few All Tackle points. Hendrik focused on Carp and caught quite a few, while I introduced Chris Head to Carp on plastics and I think he's hooked now!

Fishing aside the lake was something like 107%; the water was over the bottom of the round-a-bout at the boat ramp on Friday. To even get into Burrinjuck you had to cross small rivers on the road in. Every gully had picturesque streams and waterfalls and the amount of debris floating on the lake had to be seen to be believed.

There were a couple of Cod around 700mm caught by other anglers over the weekend.

## **Club Carpathon**

The Carpathon was attended by 28 anglers this year, the fishing was quite ordinary with only 4 Carp and 1 Goldfish caught.

I caught 3 carp to 1.92kg and lost a couple, Shane Jasprizza caught one on his fly rod in the open drain, and Kyle Walton caught a 0.66kg Goldfish to take out the Junior Boy Trophy.

I think perhaps we might need to reconsider our location and perhaps even change the date next year if we want to catch more Carp, that's my opinion anyway, others may disagree, but I think it's worth a discussion at the very least.

## **January Outing - Tuross**

This has just happened and I haven't heard any reports yet. I will report more next month.

## **Other Captures**

Jamie and Tom Stanfield and I travelled up to Windamere for 4 Days to chase some Natives in late November. We did quite well on the Golden's fishing from the Bank catching about 25 between us ranging from about 2.50kg to 4.50kg. Jamie caught the lone Silver Perch of just over 2.00kg, and the Catfish were missing in action. I also lost a large cod of around 85-90cm after a long fight and 3 times to the net. I just keep reminding myself it was out of season but it's still painful to think about.

Ashley Barber caught a 400mm Golden at Googong and some Flathead at Tuross and Jervis Bay up to 530mm.

The Clark Brothers fished Brou Lake for Salmon to 1.89kg and a 0.77kg Tailor

Brian Stacy has caught a mixed bag of species in the Clyde from his Hobie Kayak. Mostly Flathead and a few Whiting.

Andy and Mitchell McGovern hit the Clyde River for Jewies in mid November and caught quite a few. Andy got fish of 14.97kg on 6kg, 3.96kg on 1kg, and 9.20kg on 4kg. Mitchell's fish went 2.96kg on 4kg.

Anthony Heiser went up to Brisbane to visit his Mum just before the floods and put in a fair bit of time fishing. The water was pretty high and coloured and he didn't fair too well. The only fish to be weighed in was a 0.91kg Eel tailed Catfish from Moogerah Dam. He was back a week after he left to help his Mum with the clean up after the flood, I'm sure he'll show you some photos if you're interested.

The McGovern's have been to Burrinjuck a few times and have been cleaning up on small Golden's with the odd bigger one mixed in. Mitchell submitted 17 Golden's for the length comp with the best going 530mm. They also caught a couple of decent sized Carp to 4.59kg, and a few Redfin as well.

That's about all for this month, I hope you get out and wet a line. I have to find more time for fishing!

Cheers  
Steve
