About the Club

The Canberra Fisherman's Club Inc. is a sport fishing club that endeavours to promote a social awareness among its members, single or family. General meetings are held on the second Tuesday of every month at the **Eastlakes Football Club No 3 Oxley St Griffith ACT** beginning at 7:30pm. All members and visitors are most welcome.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sport fishing Association (ANSA) affiliation fee, also able to set Australian records, and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the Recfish Australia National Code of Practice for Recreational and Sport Fishing, which endorses:

1. Quickly and correctly returning unwanted or illegal catch to the water
2. Quickly killing fish that are kept for consumption
3. Using only appropriate, legal tackle, attending gear and valuing the catch
4. Taking no more than our immediate needs
5. Supporting and encouraging activities that preserve, restore and enhance fisheries and fish habitat
6. Understanding and observing all fishing regulations and reporting illegal fishing activities
7. Preventing pollution and protecting wildlife by removing rubbish
8. Taking care when boating and anchoring to avoid damage to wildlife and habitat
9. Using established roads and tracks
10. Reporting environmental damage
11. Avoiding unnecessary interactions with wildlife species and their habitats
12. Practising courtesy towards all those who use inland and coastal waters
13. Obtaining permission from landholders and traditional owners before entering their land
14. Caring for our own safety and the safety of others when fishing.

President's Report

Hi all,

Well it's November already and we hosted the 36th Annual Burrinjuck Convention. Once again I think the CFC can be very proud of hosting yet another very successful Convention. I'm sure that Steve will include the results in the Records section, and keeping with the way we been handling outing reports lately, there will be a full article on the Burrinjuck Convention in next months newsletter, so I'll be short.

It was a very different sight seeing the lake 98% full, compared to the 40 odd % it's been for the last few years. There was not a great deal of parking for cars and trailers and I'm pleased to say that I didn't hear of any issues at the ramp. I'd like to thank all those that attended the Convention for their consideration of others when parking cars and trailers after launching boats.

The weather was a bit cool, and it would have been much more pleasant without the southerly wind on Friday and Saturday, however we were lucky and only received a very small amount of rain on Saturday. I received some great feedback on the catering, that was pleasing, and I'm sure that all those that attended had a great time. The actual numbers of fish caught was down a bit on last year. The weather probably had a lot to do with this; however it may have also been attributed to the changes in the St Georges Trophy, with some people chasing Natives to gain the edge over other teams. I'm not sure and would appreciate any feedback on this. Botany Bay was very pleased with the result taking out the Burrinjuck Bell, and ringing it all the way out the park. Congratulations to Botany Bay on their win, and to all the other clubs that competed.

As the President, I was very proud of the effort that the CFC members put in over the weekend to make it such a successful weekend. I received congratulations from several members of other Clubs, so I think we got it fairly right. The number of people attending the set-up on Friday was a little down on last year, and some of the shifts over the weekend were a bit light on, however everything went well. I'd like to thank the following for their help over the weekend:

Rose Davis	Jamie Stanfield	Chris Head
Anthony Heiser	Chris Lemmon	Bruce Murray
Steve Borkowskis	Keith Smith	Glen Malam
Hendrik Maat	Albert Magassy	Colin Clark
Dave Walton	Andrew Butt	Brian Stacy
Karen Wade	Shane Jasprizza	Ben Lemmon

And I'd also like to thank a couple of our juniors, Tom Stanfield and David Stacy for helping over the weekend as well, well done fellows!

Xmas Party

Pat Luttrell is busy organising the Xmas Party for a lunch time BBQ on the 12th December at Black Mountain Peninsula. If you'd like to attend let Pat or I know, especially if you'll be bringing juniors as we expect a visit from Santa sometime in the afternoon. He usually finds time in his busy schedule to drop by and give all the good girls and boys a gift. If you have difficulty attending the meetings and outings it'd be good to see at the Xmas Party!

Pats Mobile No is 0414866799, E-Mail luttpa@tpg.com.au

Recent and Future Outings

As I mentioned above, we hosted the 36th Annual Burrinjuck Convention successfully again for our November outing. The next outing is back out to Burrinjuck, this time to fish! There is already quite a few heading out there on the 4th and 5th of December to have a crack at the first Cod for the season, it should be a great outing. I'll be there, I'm eager to explore the new Burrinjuck Dam with 50% more water. The accommodation we've booked is full, and unfortunately there are no more cabins available. If you'd like to join us you'll either have to camp or come out for a day trip or two.

In January we have the Carpathon on the 16th of January. I'm looking forward to this as I've never attended one before. We've always been at Merry Beach when it's on, however next year we'll be in Canberra. Look out Carp, here I come. There are 21 names down already for that event, it should be great.

On the 22nd and 23rd January it's off to Tuross again. Unfortunately it's not along weekend this year so we'll have to put up with a two day outing, however it's still school holidays so you could choose to stay down there a bit longer. Currently we have 13 on the list for that weekend, I'm sure there'll be a few more as it gets closer.

And on the 19th and 20th February it's down to Brogo, Bega River and Tathra.

Well, that's it for me this month,

Cheers

Greg Davis

Secretary's Report

Hello all members & visitors,

December 14 General meeting

We are holding a tackle swap / sale for this last meeting of the year.

So go to that place where nobody wants to go and sort out that fishing gear that has a heavy layer of dust on it or has been lying in the bottom of the tackle bag for years, bring it along and sell/swap/trade or give it away to somebody that is keen to give it some new life.

Also we have some very important guest speakers Mathew Perdrau & James Morgan (Kooka) from Tackle World our major sponsor. Mathew & Kooka will be giving us their tips and tricks about the different type of lures that are now on the market, where and how to use them and what species they are best used for. This will also give you the opportunity to ask questions about the local area and how to fish it as Matt and Kooka are the local experts.

Additional to their presentation they will also be bringing along some members only hot lure deals for the meeting.

So put this meeting date in your diary, also this might be the last chance to catch-up with other members before the Christmas holiday period.

Burrinjuck Convention Statistics

Thanks to everybody that helped out before and during the event, as Greg has said I think it was a great team effort.

Below are few statistics from the event to add to the information that Greg and Steve have reported.

RECORDERS REPORT

Hi all

Another month has come and gone, the Convention is behind us and it will be Christmas before you know it. I would anticipate a real increase in captures coming in from the South Coast over the next few months, hopefully we see some impressive fish coming in if the Marine Parks are doing what they're supposed to!

Recent Outings

October Outing - Talbingo Convention

Well I can't really report much more on the Talbingo results as we've yet to receive our captures from the Wagga Club, I will post up a short captures report once the info comes through. Please note that the All Tackle results and your personal Championship Standings will be minus any captures made on this Outing for the time being.

November Outing - Burrinjuck Convention

I will leave it to others to discuss the ins and outs of the Convention and I will focus on the fishing and the results. We will have winners of all trophies posted up on a separate report in this Newsletter.

The fishing was good despite the weather being cold and blowing in from the South-East, several club members caught fish with David Stacy taking out the *Heaviest Redfin Junior* with a 'Reddie' of 1.18kg, and Shane Jasprizza took out the *Heaviest Redfin Senior* with a 950g model. They were probably the same sized fish only David's had a decent belly on it.

Glen Malam scored the biggest Carp for our Club at 3.01kg on 1kg line. Unfortunately this wasn't heavy enough to score us any St George's Trophy points but still a good fish none the less.

Andrew Butt took out the *Native Catch and Release Trophy* with 3 Golden Perch totalling 970mm.

One thing that is a positive is the amount of Cod being caught, while no-one caught any real monsters, most members that were targeting Goldens caught several cod around 450-600mm. This is a positive sign looking forward to our December Outing held in a couple of weeks.

Other Captures

The highlight of this months captures would all have to be from north of the border up in sunny Queensland. Albert Magassy caught a Barramundi of 1220mm at Kinchant Dam and according to others he could not speak for 10 minutes afterwards, they didn't get a weight but it was estimated at just below 30kg.

Steve Bailey and Dave Walton also got in on the Barra action at Kinchant; apparently the first night was a good one with several Barra being boated. Steve's best was 25kg on 10kg line (1190mm), while Dave's best went 27kg on 15kg line (1180mm). Apparently after that first night the fishing tapered off with some cold weather that came through.

Andrew Butt and Kate Johnson were also up in Queensland chasing the Barra, but didn't submit any fish from Kinchant. They stopped off at Cania Dam on the way back and caught a mixed bag of species.

Andrew caught a Length Masters Eel Tailed Catfish of 560mm, while Kate scored a Saratoga of 3.30kg on 1kg line, a Silver Perch of 400g, and a Bass of 450g, all taken lurecasting.

Anthony Heiser headed out to Jerra to chase Carp in the Duck Pond; he caught one fish at 1.28kg on 1kg line.

I've also been chasing some Carp (surprise surprise). I had another day out with Tony Steiner from South Sydney AFA at Centennial Park in Sydney. My best Carp of the day was 10.79kg on 6kg line, with several other 7kg+ plus Carp landed. The best Carp of the day went to Tony's mate Neal (also from South Sydney) his fish went 12.40kg on 2kg pretest and measured in at 920mm which they will be submitting for a new National Length Record. If you're interested in getting up there for a fish let me know and I will pass on Tony's contact details. I've also caught Carp locally up to 7.38kg, including a 6.64kg Mirror Carp.

Upcoming Outings

Burrinjuck Outing – "Cod Opening Weekend" - December 3rd – 5th

I've spoken a bit about this last month but now we've been to the Convention I can say that Burrinjuck is an impressive sight when it's full, the last time I can remember it like that was back in the early to mid 90's.

As I mentioned there were heaps of by-catch Cod caught at the Convention, and with a bit of luck if we fluke some favourable weather conditions things could turn out really well. There were a few small Goldens about and with a bit more warm weather they should come on the bite a bit more by then.

If all else fails you can always find a bank and throw a bit of corn out and pull in Carp until your arms get tired.

Tuross Outing – January 22nd – 23rd

After a long string of Freshwater Outings we're finally back to the Coast. I haven't been to this outing personally but everyone who attends recommends it highly and there are always a lot of captures to deal with afterwards. Plenty of Flathead, Bream, Whiting, Trevally, Tailor, Rays, as well as Salmon off the beach and EPs up the river. Then there is always the chance of a Mulloway. It's always a popular outing so get in early to make sure you secure yourself accommodation.

As I mentioned last month if you're keen to do some lazy local fishing in the afternoons or on weekends let me know, we're regularly heading out to the local lakes drowning some bait or flicking lures so don't be shy and come along.

I'm sure one of the other guys will promote this but next meeting we will be having a Tackle Sale/Swap meet. Bring along any gear you would like to sell or trade and work out how much you want for it, also bring your pocket money to pick up any gems you might find on offer.

That's all from me this month, hope you catch a few. See you all at Burrinjuck.

Cheers Steve

The ANSA Talbingo Convention – 15-17 October 2010

The ANSA Talbingo Convention in October each year has a reputation of being a challenging outing. With rains, floods, gale force winds, snow, and hail sweeping across New South Wales, this year was no exception. Nevertheless, the CFC did well at the Convention and most of us caught or took home some nice fish.

The Convention was hosted by the Wagga-Wagga Boat Club Anglers and attended by Greg & Rose Davis, Jamie & Tom Stanfield, Shane Jasprizza, Chris and Sara De La Rue, and I. Wild weather on Friday delayed a lot of people getting to Talbingo, including Shane who got stuck outside Tumut when flooding closed the Snowy Mountains Highway. Thankfully for Shane, the Wagga-Wagga Boat Club Anglers kept cooking dinner to 10.00 pm so those arriving late were given a hot meal.

(Photo by Chris De La Rue)*

We woke up to rain on Saturday, which later turned to snow. Shane was the first to get up and go fishing – he decided to spin off the wall at Talbingo Reservoir. Shane put in a solid nine hours only to be rewarded with one hit. He found the rocks a bit slippery due to the rain and moss and lost his footing a couple of time.

Chris and Sara waited until 11 am before trolling lures at Talbingo Reservoir. Chris reported experiencing 22 seasons (although I suspect they were all different shades of winter). They both did very well, hauling in several browns and rainbows. In addition, Mother Nature treated Chris and Sara to some magical sights, including a waterfall and dustings of snow on the mountains surrounding Talbingo Reservoir.

A dusting of snow on the peaks (Photo by Chris De La Rue)

I was eager to go fishing as soon as I finished breakfast so I drove my car down to Jounama Pondage next to the sewerage ponds. The banks seemed solid enough so I continued driving my car on the little road between the sewerage pond and the lake. However, I got bogged when I attempted a u-turn on the bank. Fortunately, Greg and Rose came to my rescue and we went back to the cabin in Greg's car to pick up Jamie and his snatch strap. Thanks to Greg, Rose and Jamie, my Toyota Corolla was safely back at the cabin at 9 am where it stayed for the rest of the weekend.

Greg and Jamie successfully rescues my car

We returned to the spot where my car got bogged and fished there until 1 pm without a bite. Greg, Rose and I went back to the cabin for lunch while Tom and Jamie stayed until 2 pm without getting bites either. We moved to the old boat ramp near the dam wall where Greg caught a 250 g redfin on worm. Rose dropped a redfin spinning off the bank but later caught a 300 g redfin.

The weigh station closed at midday sharp. We were not told how many fish were weighed in for the weekend although 29 rainbow trout, 5 brown trout, 3 redfin and no yellowbelly were weighed in on Saturday. It seems most of the fish were caught at Talbingo Reservoir. At least one yellowbelly was caught on Sunday as the Catch and Release Trophy was awarded to Josh Caves from Bermagui for a 605 mm yellowbelly. Chris saw the fish and commented that it was 'a good looking fish and as fat as.'

Sara De La Rue won both ANSA Champion Female (with 99.75 ANSA points) and ANSA Heaviest Trout Senior (with a rainbow trout weighing 0.695 kg) and the CFC won ANSA Champion Club. Congratulations to Sara and everyone else who weighed in fish.

As usual, the Convention was fully catered and offered plenty of good raffle prizes. The CFC did well on the raffles; I think Chris De La Rue won most of the prizes. Greg got off to a shaky start, winning an opera house net on Saturday after spending \$100 on tickets. However, Greg and Rose probably recouped their spending from the prizes they won on Sunday.

Wagga-Wagga Boating Club Anglers hosted yet another excellent Convention. While the fishing was challenging, it was a very enjoyable weekend. I hope to make it to the next Talbingo Convention which will be held on 14-16 October 2011.

It was the CFC's turn to host the next ANSA Convention at Burrinjuck on 5-7 November 2010. The last outing for 2010 will also be at Burrinjuck on 4-5 December 2010. If you have not done so already, you should consider putting your name down for the December outing as Burrinjuck is now 103% full (as at 19 October 2010) and the cod season starts on 1 December 2010.

Ending the outing with a snow ball fight!

Mathew Perdrau & James Morgan (Kooka) from Tackle World, our Major Sponsor, will also be bringing along some members only hot deals for the meeting.

Additional to this, both Mathew & Kooka will be giving us their tips and tricks for the different type of lures that are now on the market, where and how to use them and what species they are best used for.

This will also give you the opportunity to ask questions about the local area and how to fish it as Matt and Kooka are the local experts.
