# About the Club

The Canberra Fisherman's Club Inc. is a sport fishing club that endeavours to promote a social awareness among its members, single or family. General meetings are held on the second Tuesday of every month at the **Eastlakes Football Club No 3 Oxley St Griffith ACT** beginning at 7:30pm. All members and visitors are most welcome.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sport fishing Association (ANSA) affiliation fee, also able to set Australian records, and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

## Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the Recfish Australia National Code of Practice for Recreational and Sport Fishing, which endorses:

1. Quickly and correctly returning unwanted or illegal catch to the water
2. Quickly killing fish that are kept for consumption
3. Using only appropriate, legal tackle, attending gear and valuing the catch
4. Taking no more than our immediate needs
5. Supporting and encouraging activities that preserve, restore and enhance fisheries and fish habitat
6. Understanding and observing all fishing regulations and reporting illegal fishing activities
7. Preventing pollution and protecting wildlife by removing rubbish
8. Taking care when boating and anchoring to avoid damage to wildlife and habitat
9. Using established roads and tracks
10. Reporting environmental damage
11. Avoiding unnecessary interactions with wildlife species and their habitats
12. Practising courtesy towards all those who use inland and coastal waters
13. Obtaining permission from landholders and traditional owners before entering their land
14. Caring for our own safety and the safety of others when fishing.

# President's Report

Hello all,

By the time you read this the 2015/16 club fishing competition year will be over and now you will have to wait until the Presentation Night on the 10<sup>th</sup> of September to find out who the lucky prize winners are so good luck all. Remember if you have been lucky enough to fish the last part of the fishing year and have made some captures, then the paperwork needs to be to the recorder by the 14<sup>th</sup> of July. Don't forget!!

Reminder that the club AGM will be held on **WEDNESDAY 10<sup>th</sup> August**. We need to have preferably all financial senior members attending this meeting to make sure we have a quorum of members to be able to run the meeting. I do hope other members are willing to put up their hands to join the committee to further the club into the coming year as it is very rewarding but it is time for me to have a break. If you are interested, please complete the nomination form that's on page 9 of this newsletter, and pass it on to the secretary Sarah.

I am happy to announce we have now finalised the financial results for the 2016 Canberra Carp-Out and once again it was a success. We have also presented a cheque for \$3,400 to The Cancer Support Group ACT Eden Monaro's own, being 50% of the net profits of the Carp Out plus the corporate entries. Melissa Gardiner the CEO of The Cancer Support Group ACT Eden Monaro's own was grateful to accept the cheque on behalf of the organisation.

I would like to once again thank all of the club members, sponsors and supporters who helped put on the event, without your help and support we simply would not be able to put this event on. The Canberra Fisherman's Club hopes that you will be in a position to once again support this great event in 2017.

The Club will use the net proceeds of the Carp-Out, fish stocking raffle, and individual donations as follows:

<b>Fish Stocking</b>	
50% net proceeds of the Canberra Carp-Out	\$2,599.77
Net proceeds of the Fish Stocking Raffle	\$4,627.57
<b>Total donations for Fish Stocking</b>	<b>\$7,227.34</b>
<b>Cancer Support Group ACT Eden Monaro's Own</b>	
50% net proceeds of the Canberra Carp-Out	\$2,599.77
Proceeds of the Corporate Challenge	\$ 800
<b>Total Donation to The Cancer Support Group ACT Eden Monaro's Own rounded up</b>	<b>\$3,400.00</b>

Planning is under way for the 2016 Burrinjuck Convention. We are looking for a Burrinjuck Chair and a sponsorship officer for the event. These people do not have to be on the club's committee so I am putting it out there for our members to consider taking on these roles. These roles will of course be supported by the committee to complete the tasks and provide advice and support. We have already started putting together the sponsor letters that will go out to all prospective sponsors, we're looking into securing support from previous and new sponsors so part of the work has already started for the sponsorship officer. So if you are interested please get in touch with myself or one of the committee members to discuss.

I am very happy to announce that once again our good mate Stuart Hindson from Aussie Fish Estuary Adventures has put up our major raffle prize for the Burrinjuck Convention, which will include 2 full days guided fishing with 'Stuart Hindson', plus 3 nights' accommodation for up to three people and can be taken at Narooma/Tuross or Pambula/Merimbula estuaries. A big thanks to Stu for his support once again.

If you know of a prospective sponsor for the Burrinjuck Convention, please let us know and we can send them our sponsorship letter for their consideration. Sponsors don't necessarily have to be fishing related so any suggestions will be welcome!

The next Club meeting will be held on the 12<sup>th</sup> of July. A reminder it is that time of the year to renew your membership and consider nominating for a committee position. Being on the committee can be very rewarding by not only helping to keep your club running as a successfully as it does, but also by helping to steer it in new ways. The committee has achieved so much in the time I've been involved and I hope it can continue to keep the club as influential and successful in the local and regional fishing scene.

Hope you all get a chance to wet a line over the coming month until next time tight lines.

Chris Head

# Secretary's Report

Hi All

Firstly, a warm welcome to all of the new members that signed up at our last General Meeting. We are very happy to welcome you to our club and hope you enjoy your time with us and get involved. First and foremost, the best way to get to know the club, the hot spots and perhaps learn a few new techniques is to attend some of our outings. Simply add your name to any of the outing sheets the go round at our general meetings or you can also put your name down via our website. Another way to get involved and get to know more about the club and its members is to get involved in the committee. Nominations are currently being accepted and the form can be found in this newsletter. If you have a few skills or ideas that you feel you can bring to the club - and a few spare hours a month, feel free to put your name down on the nomination form and bring it to the next general meeting.

As the Carp Out formalities are all but finalised, it has been a very quiet month so I'll take this opportunity to remind everyone of some important upcoming dates.

- Tuesday 12 July 2016 – General Meeting. Eastlakes Football Club. 7.30pm.
- **Wednesday 10 August 2016 – AGM. Eastlakes Football Club. 7.30pm PLEASE TRY TO MAKE THIS MEETING** - A quorum of members is needed for it to go ahead.
- Saturday 27 August 2016 – ANSA NSW Presentation Night, AGM & Delegates Meeting. Hosted by CFC at Eastlakes Football Club. 6.30pm for 7pm dinner.
- Saturday 10 September 2016 – CFC Presentation Night. Eastlakes Football Club. 6.30 for a 7pm start.

I hope to see you at any of the above but especially at our AGM and presentation night!

Tight Lines

Sarah

# Recorder's Report

So the year is almost closed. Please remember that you have until the 14<sup>th</sup> July to get your capture sheets to me if you want your captures to count in this year's competition. As per normal, I haven't included the competition standings in this report to keep a little bit of mystery for the presentation night. I probably shouldn't have included them last month either, but in my rush I forgot to not add them (if that makes sense).

The Narooma outing looked like it was a good one, with a bit over a page of attendees and two pages of captures reported. The stand-out capture was certainly Chris Lemmon's 2.31kg Australian Salmon on 1kg line. It looks like the Trevally are in the inlet in force, with quite a few of them being recorded. My brother caught a few at Merimbula too, so it looks like they are in the estuaries up and down the coast.

In the ANSA 12-month competition Glen is still hanging on to first place in the Sports Fishing – Saltwater lakes and estuaries section. Here's hoping you keep it Glen! The rest of us have been bumped out of the competition altogether. As a club, we have slumped to equal last with a couple of other clubs.

I am actually writing this report a few days earlier than normal as I'm heading west again this coming weekend at the same time other club members are heading for Ulladulla. I will be spending three days fishing the lower Darling river with my brother, Father, one of my Father's mates and Steve Bailey. We'll be fishing some water that is rapidly disappearing as the Darling dries up. It's been very productive for large Murray Cod of late, so I'm hoping we can make a good start on next year's leader boards. It's a time of swags, billies and campfires and I'm really looking forward to the break.

The last thing I have to ask is that if you have one of the perpetual trophies can you please bring it along to the next meeting so that I can get them ready for the September presentation night.

That's it from me for another month. Happy fishing and keep those capture sheets coming!  
John.

## Total Length Award species for 2016-17

The Total Length Awards always inspire some healthy competition from the ranks of the CFC. For 2015-16, the target species were Bream for the Saltwater section and Yellow Belly for the Freshwater. With this year's competition all but over, it's now time to get off to a good start on the 2016-17 Total Length Awards. To give you a heads up, the species will be carried over this year and will remain as Bream and Yellow Belly. Always keep in mind that minimum legal lengths apply for fish to be considered eligible for entry.

### The target species for the 2016-17 fishing year are:

Bream\* in the Saltwater section

Yellow Belly in the Freshwater section

\*Includes all Tarwhine and all species of Bream caught in Australian Territorial Waters. Note, this does not include freshwater species such as Bony Bream.

## Election, selection, convention and new direction

In the spirit of keeping this article short and sweet - a bit like my first mate, we've just had the Federal election and hopefully by the time you read this, we'll also have a favourable result. It's that time of year for the Canberra Fisherman's Club too. With the AGM around the corner and a few positions in the Committee up for grabs, it's time to put your hand up and your name on a nomination form... Here's another one that you're welcome to use:

I : .....

(* Awarded at discretion of Committee) (**Requires resolution at Special General Meeting)	

Moving on to the selection section where I have to mention that to go with the above nomination, it's also time to put in your suggestion for one of our fine selection... of spoof trophies. To refresh your memory, or introduce the categories for our new members, the perpetual trophies that are up for grabs are:

- **The Net Award** – for the worst (or best) fish that is lost due to poor netting skills
- **The Fan Belt** – for the most damage done to one's **vehicle** on a fishing trip
- **The Prop Award** – for the most damage done to one's **boat** on a fishing trip
- **The Where's Wally?** – for going inexplicable missing during a fishing trip
- **The Stirrer's Spoon** – for the wittiest wisecrack – not necessarily an isolated event
- **The Albino Shark** – for the most unusual capture in the year
- **The Mario Manoeuvre** – for losing (or breaking) a rod – generally done on a boat

We already have some nominations for the above but it's not too late so if you have any others you'd like to 'dob in', either let one of the committee know at the next general meeting, or email the any of the committee.

Convention – not much needs to be said at this stage but with the Carp Out done and dusted for the year, the focus of the committee has shifted to the Burrinjuck Convention. It's not far and takes a huge amount of work to organise so if you'd like to help out, no need to be in the committee, there's plenty that can be done in the lead up and definitely on the weekend. This is a famous event on the regional fishing calendar and if you haven't been to one yet, it's definitely one to attend. It won't be long until you're asked to put your hand up and when that happens, just remember that many cooks make light work for the bird in the hand that gathers no moss but may have a questionable broth.

Rounding things back to where I began, the new direction for the club over the next year can be anything! With new talent and ideas in the committee, the sky is the limit so if you know you have a certain skill and a little extra time on your hands each month, it's time to put your name on that above nomination form and bring it along to the July general meeting.

Also at the July general meeting, among the usual plethora of predominantly pleasurable piscatorial pursuits, there'll be the presentation for the primary post in the perpetual pictorial... by that I mean, congratulations go to Phil L this month for not only catching and releasing such a cracker of a Brown, but also for capturing the moment so well. I'm guessing that from the rest of the kit, that water can't be too warm so definitely deserving of this month's OTWC 20 buck voucher. As always, it's great to see such a high standard in this competition so please keep sending your fishing photos in for the coming month's photo comps. Photos can be submitted directly onto our website or via email. If you have any difficulties with either, let me know and I'll help make it happen.

The rules of the photo comp are really simple:

- Members can submit up to two photos per month
- The photo must either be taken by or be of the member submitting the photo
- No photo shopping or other digital enhancements are allowed

Preferably, photos should be 300 KB to 2 MB in size. Photos greater than 2 MB will need to be compressed if you are attempting to email them. If you're struggling and need help compressing the photos, please contact me or any of the committee members. If you submit your photos directly to the website, you will not have to do any of the above, they will be automatically resized as they upload so this is clearly our preferred method. Don't stress if you can't see your photo on the site straight away, all photos still need a little human intervention to get to the right place with supplied text.

Lastly, if you have some fishing (or fishing related) gear to sell, swap, want to purchase, barter or are giving away because you broke it, please send through the details and I'll put it in the next newsletter. Just email me at [editor@canberrafishos.com](mailto:editor@canberrafishos.com). Also, if you have anything you think would go great in the 'Fishin' Submission' section, send it through!

*My penultimate thought for the month:*

***The formula behind 'one more cast' (omc).***

*A = number of hours spent fishing this session*

*B = number of minutes of light left in the day*

*P = the likelihood of catching a fish*

*Y = how hungry you are*

*S = how hungry your spouse is*

*Z = how urgent the next appointment is*

*Therefore:  $omc = A/B - Px(Y+S) - Z$*

*Or... when fishing with me, just take it as a relatively loose version of my approximate ten-minute warning.*

Catch you next fish,  
Dino

As always, a huge thank you goes out to our major sponsor, Otto's Tackle World Canberra.

Thank you to everyone at OTWC, not only for keeping this photo competition alive and for the ongoing support extended to the Canberra Fisherman's Club but most importantly, for continually stocking such a great range of gear and always being happy to extend some of the best fishing advice available in Canberra.

## Fishing Magazines for small donation CRFA

I need to free up some bookshelf space so I'm offloading my much loved Saltwater Fishing, Modern Fishing and Fishing World magazine collections. These mags have taught me heaps about fishing and have also provided the inspiration behind many a fishing trip over the years. I have complete sets from 2001-2013, take as many or as few as you like, make a small donation to Capital Region Fishing Alliance and I'll be happy as Larry..

Cheers
