About the Club

The Canberra Fisherman's Club Inc. is a sport fishing club that endeavours to promote a social awareness among its members, single or family. General meetings are held on the second Tuesday of every month at the **Eastlakes Football Club No 3 Oxley St Griffith ACT** beginning at 7:30pm. All members and visitors are most welcome.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sport fishing Association (ANSA) affiliation fee, also able to set Australian records, and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the Recfish Australia National Code of Practice for Recreational and Sport Fishing, which endorses:

1. Quickly and correctly returning unwanted or illegal catch to the water
2. Quickly killing fish that are kept for consumption
3. Using only appropriate, legal tackle, attending gear and valuing the catch
4. Taking no more than our immediate needs
5. Supporting and encouraging activities that preserve, restore and enhance fisheries and fish habitat
6. Understanding and observing all fishing regulations and reporting illegal fishing activities
7. Preventing pollution and protecting wildlife by removing rubbish
8. Taking care when boating and anchoring to avoid damage to wildlife and habitat
9. Using established roads and tracks
10. Reporting environmental damage
11. Avoiding unnecessary interactions with wildlife species and their habitats
12. Practising courtesy towards all those who use inland and coastal waters
13. Obtaining permission from landholders and traditional owners before entering their land
14. Caring for our own safety and the safety of others when fishing.

President's Report

G'day all,

As you read this 2015 will have come to a close and 2016 will have just begun. We made it successfully through our two main events the Canberra Carp-Out and the Burrinjuck Convention thanks to our sponsors and the terrific volunteers we have in our club.

The Canberra Fisherman's Club had another successful December cod opening outing with the good folks from the Morven Club. Fishing was tough with only two cod and one Golden Perch entered into our friendly comp, between about 40 anglers from the two clubs. Carp were taking lures on the troll and on the flick and many of us (myself included) thought we were onto what was a good native but unfortunately turned out to be big carp. Once again, the lunch barby was a good get together to compare notes, as was the presentation on Sunday where we unfortunately had to concede defeat but we will definitely be trying hard in 2016 to win the trophy back. We also decided for the 2016 event, to catch-up for a quiet get together on the Friday from about 8pm at Lawler's as a meet and greet to get the weekend started.

The CFC Christmas Party was held at Black Mountain Peninsular on Saturday December 19, unfortunately I could not attend due to other commitments but understand Santa dropped past to say 'Hi' and deliver a present for each of the youngsters. If you missed the day like me, some of the photos are on the Canberra Fisherman's Club Facebook page. I have it on good authority that all who attended had a good time and our new barby stood up to the task. More on that later in the newsletter.

Finally, on Tuesday 15th December, the Canberra Fisherman's Club in a double joint venture with the National Capital Authority and ACT Government carried out fish stocking of over 99,000 native fingerlings into our local lakes. More on the stocking later in the newsletter. The money we contributed was raised from the Canberra Carp-Out, which will be again run on the 3rd April 2016

Coming up we have our traditional carp fishing competition, the Carpathon that will be held on January 10 at this stage back at Bowen Park. We will advise if the venue changes due to access issues. This will involve our usual friendly competition, lunchtime barby and a couple of trophies for the winners at the end of the day.

Following that, we have the very popular Tuross outing on the January 'not so' long weekend unless you are lucky enough to have the Monday off work. I think all spaces in the cabins are already booked out but there are some camping options if you still wish to join us. Contact Kevin Spriggs our outings officer if you are interested in coming and he will help you make it happen.

Hope you have had a great Christmas. Wishing a big Happy New Year to you all and hope you have a relaxing break.

Chris Head

Secretary's Report

Hi All

I'd like to wish all our members and their families a very Merry Christmas and extended my best wishes for a Happy and Healthy New Year. I hope you have enjoyed the festive season so far and have also managed to sneak in some fishing between all of the craziness. Indeed, December has been an extremely hectic month, as I am sure it is for everyone.

We had the annual Cod Opening weekend at Burrinjuck, our friendly competition with Morven and it saddens me to say we lost the trophy this year. Thank you to all who braved the extreme heat and congratulations to all who were successful. I'm told the fishing was tough for everyone, including anglers who were there for the weekend not involved with either club.

Then came the CFC Kids Christmas party where as it is every year, the highlight of the day was a visit from Santa. The food was good and the company was better, all in all it was a great day and everyone had a good time. The kids jumped immediately to playing with their presents after Santa took off "in his dusty Holden ute" (no not really it was a Nissan and quite clean. I hope someone gets the reference though) to see other children. Thanks to everyone who attended and especially to those who helped with set up and pull down and of course to Santa who came a long way to visit.

We have signed up a couple of new members during December and I would like to welcome them to the club and wish them tight lines. I hope to see you all at the meetings and outings to come.

The next upcoming outing is our annual family day, the Carpathon which at this stage will be at Bowen Park as usual. There have been some works carried out nearby that we thought may affect our ability to hold it at this location this year but it looks like the works will be completed in time. We will let you know if there is a change in location this year but feel free to contact me closer to the date if you wish to double check any information.

After that is our trip to Tuross On the "Australia Day Weekend". As you probably are aware Australia Day falls on a Tuesday in 2016 so there will be no public holiday in the Monday but one on the Tuesday. We will hold the regular outing on the Friday, Saturday and Sunday as we normally do for other outings and will book accommodation as such. But for those of you who can have a 'sickie' on the Monday and can stay till Tuesday, we will have some accommodation available to cover those days also. PLEASE SPEAK TO THE OUTINGS OFFICER FOR AVAILABILITY AND POSSIBLE COSTS and make sure you put your name down on the attendance sheet at the next general meeting if you have not already.

The next meeting is Tuesday 12th January 2016 at Eastlakes Football Club at 7.30pm. Also a reminder to the committee that we will be holding the January Committee meeting before hand as it falls on the Tuross extended weekend this year.

Thanks to all for a fishy 2015 and tight lines to you all for an even better 2016.

Sarah

Recorder's Report

G'day all,

The CFC-Morven cup has slipped back in to Morven's hands. That makes it 3 to 2 in their favour now so we will need to be on the ball next year to keep the stats even. This year's Burrinjuck outing was the toughest fishing I have ever had there. For some reason the natives were few and far between. So far, in fact, that only three or four fish were recorded among the twenty to thirty anglers from both clubs.

As a club, we are currently sitting last in the ANSA club championship so I encourage our newer members to look into joining ANSA if you haven't done so already, and look into line class fishing if you have.

I hope you have all had a chance to get out and fish over the Christmas break and that we may see a few capture sheets soon. I spent a day out at Googong with Mick Peel during which we only managed a few Red Fin, no natives. Frustratingly, Roman Dicoski and another well-known expert Googong fisherman managed to pull in half a dozen natives between them the day before and the day after.

That's it from me for another month. As usual, keep those capture forms rolling in!

John.

News & Stories

Santa makes surprise visit to CFC Christmas Party

by Author's Name

The Club held its annual Christmas Party on Saturday, 19 December 2015. The party started off as a low key affair with about 25 members catching up for a quite ale or soft drink and some steak and snags cooked on the Club's new BBQ (thank you Camping World Mitchell). Our Club Juniors entertained themselves with tree climbing, swimming (well Jake did) and taking turns on Zachary's bicycle.

However, the day soon took an unexpected turn when Head Chef Greg and Sous Chef Anthony heard the ringing of sleigh bells in the distance. Out of the sky and onto the tray of a Nissan Navara, Santa appeared to the delight of our junior anglers.

After exchanging yuletide pleasantries with the senior members, Santa delighted the juniors with Christmas presents and lollies. Sebastian Davis even got a few selfies with Santa before he took off on the back of the Nissan Navara to return to the North Pole.

Over 99,000 new fingerlings for Canberra Lakes

by Anthony Heiser

CFC President Chris Head releasing some of the 99,210 fingerlings released into Canberra's lakes on 15 December 2015 as WIN News looks on.

On 15 December 2015, the Canberra Fisherman's Club together with the ACT Government, National Capital Authority and Capital Region Fishing Alliance (CRFA), released 99,210 Golden Perch and Murray Cod fingerlings in all of Canberra's major urban lakes.

The event was attended by Matt Beitzel from the ACT Government, Chris Head, Bruce Murray and myself on behalf of the Canberra Fisherman's Club, Peter Killfoyle from Canberra Anglers Association in his capacity as the CRFA representative, and WIN News. Also in attendance were some curious youngsters who were eager to take part in the release of fingerlings. Many of the kids helped release 7,000 Golden Perch and 3,000 Murray Cod into Yerrabi Pond. After that, the fish were delivered to several other lakes in the ACT.

The Club's contribution was funded by the net proceeds of the annual fish stocking raffle and 50% of the net proceeds of the Canberra Carp-Out. Our Club funded 100% of the Golden Perch released in Dunlop and Point Hutt Ponds and 25% of the Golden Perch released in Lake Burley Griffin (with the National Capital Authority contributing to 75% of the fish released there).

The CRFA funded 100% of the Murray Cod released into Yerrabi Pond. This was funded by donations from Adam Samios who runs regular fishing competitions in Canberra through 'Canberra on the Water' together with some competitors of his competitions who donated their winnings to be put towards fish stocking. The CRFA chose to stock Murray Cod at Yerrabi Pond as this was the wish of one the CRFA's major donors who wanted to do something about the Cod Kill in Yerrabi Pond in 2014.

This year's stocking took place in the following locations:

- 7,000 Golden Perch, Yerrabi Pond (ACT Government)
- 3,000 Murray Cod, Yerrabi Pond (Capital Region Fishing Alliance)
- 5,000 Golden Perch, Gungahlin Pond (ACT Government)
- 25,000 Golden Perch, Lake Ginninderra (ACT Government)
- 4,000 Golden Perch, Dunlop Pond (Canberra Fisherman's Club)
- 48,210 Golden Perch, Lake Burley Griffin (National Capital Authority and Canberra Fisherman's Club)
- 3,000 Murray Cod Lake, Tuggeranong (ACT Government)
- 4,000 Golden Perch, Point Hut Pond (Canberra Fisherman's Club)

We plan to release \$3,000 worth of Murray Cod fingerlings next year at Lake Burley Griffin. However, I'm sure we could increase that contribution if we raise more money at next year's fish stocking raffle and Canberra Carp-Out.

You can see more photos in our [Facebook Album on Fish Stocking for 2015](#) check out the clip from [WIN News](#).

Matt Beitzel helping some of the youngsters release Murray Cod fingerlings into Yerrabi Pond.

Total Length Award species for 2015-16

The Total Length Awards bring on healthy competition from the ranks of the CFC and for 2015-16, the target species are Bream for the Saltwater section and Yellow Belly for the Freshwater. There's plenty of time to get involved and put some points on the board to have a shot at the trophies. Minimum legal lengths apply for fish to be considered eligible for entry.

The target species for the 2015-16 fishing year are:

Bream* in the Saltwater section

Yellow Belly in the Freshwater section

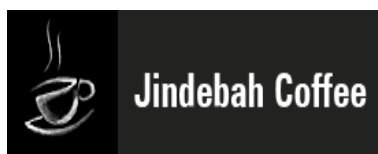

*Includes all Tarwhine and all species of Bream caught in Australian Territorial Waters. Note, this does not include freshwater species such as Bony Bream.

How many metres can you catch?

Thank you again to our 2015 Carp Out sponsors!

We look forward to your continued support in the 2016 Canberra Carp Out.

ANSA and CRFA News

By Anthony Heiser

Peter Batho from the ACT Fly Fishers (right) helping Glen Malam and Anthony Heiser sell raffle tickets to raise money for fish stocking at the 2014 Queanbeyan 4WD Show. The Club will be looking for helpers to sell raffle tickets there on 30-31 January 2016.

The Capital Region Fishing Alliance held its Annual General Meeting on Monday, 7 January 2015. Once again, Shane Jasprizza was elected President and I was elected Secretary while Sarah Borman took over as Treasurer. Peter Batho from the ACT Fly Fishers decided it was time to relinquish his position as Treasurer but he and his wife Brenda still remain on the Committee.

On 30-31 January 2016, the CRFA and CFC will be running a stall at the Queanbeyan 4WD Show at the Queanbeyan Show Grounds. This will be our first opportunity to promote the Canberra Carp-Out and to sell our Fish Stocking Raffle tickets. We will be looking for volunteers to help sell tickets at the Show. As you would have read earlier, the Club released a lot of fingerlings earlier in December so we need to replenish our fish stocking trust account so we can continue this important work next year.

Thanks to donations to the CRFA from Adam Samios of Canberra on the Water and some of the winners of his fishing competitions, the CRFA was able to contribute an additional \$1500 towards stocking in December. The CRFA's contribution went towards Murray Cod in Yerrabi Pond as it was the wish of one of the major donors to replenish fish stocks there after the Cod kill in 2014.

From the Editor

It is the season that we all decide to do a bit of personal reflection on the year that has passed; its achievements, successes, celebrations and of course great fish. It's also the time for a bit of soul searching into the failures, commiserations, regrets and also those that simply just got away. With these two thought processes being synonymous with the coming of the new year, the inevitable brain-child is the new year's resolution. I for one have a few and will happily share some relevant ones in an attempt to encourage some similar thought processes that will make the world a better place... or at least encourage more fishing.

1. I will catch a friggin' line-class fish. Not that it was due to a lack of trying last year... well actually, it was totally due to a lack of trying and for those moments that I did manage put in some personal effort, I decided to do this in conditions that were not only completely uncomfortable for myself, but situations that could not possibly yield fish – I am talking about my effort on Moruya beach in front of the sock, fishing 1 kg line in 4-metre swells trying to dodge literal trees that were floating in the current. Yeah... I did that.
2. I will not cause any costly damage to our boat. I'm pretty sure that I've ticked off all of the rookie fails possible when it comes to a boat and trailer and believe you me, I am touching a lot of wood as I type these words. Luckily, Matt from Fyshwick Marine has been like a knight in blue overalls... Just to paint a metaphoric picture – I've never actually seen him wearing overalls for the record.
3. I will enter more photos into the photo comp. This one should be easy in that if I enter one photo this year, it will be an infinite percentage more than my efforts last year.
4. I will wet a line every month of the year... so help me God! Surely, if I can achieve this one sensibly, the other three should (theoretically) be taken care of by default.

Here we go, no pressure but now that these thoughts have been permanently etched into the 'Chronicles of the CFC' (great name for a novel don't you think?), I'm sure my dedicated readers will closely follow my fishing year to see it all come to fruition, and hassle me if it doesn't. One thing's for sure, my dedicated and trusty fishing buddy (Kristin) will be there to either see it in the making, or do it all before me just like every fisherman's better half.

Speaking of doing it all before me, Kevin has done a fantastic job this month with the fishing and the photography with his pic that is very familiarly titled 'But that's my best lure'. One that could also be called 'Scenes you'll never see in the Top End' or perhaps 'Schrodinger's Lure'. Congratulations on the pic, the lure retrieval tactics and for winning twenty Tackle World Canberra dollars with which you can purchase another of the same lure.

Yes, it actually is that easy to get into the hunt for the Tackle World Canberra voucher each month. Photos can simply be submitted directly onto our website or sent in via email. If you have any difficulties with either, let me know and I'll help make it happen.

The rules of the photo comp are really simple:

- Members can submit up to two photos per month
- The photo must either be taken by or be of the member submitting the photo
- No photo shopping or other digital enhancements are allowed

Preferably, photos should be 300 KB to 2 MB in size. Photos greater than 2 MB will need to be compressed if you are attempting to email them. If you're struggling and need help

compressing the photos, feel free to contact me, or any of the committee members. If you submit your photos directly to the website, you will not have to do any of the above, they will be automatically resized as they upload so this is clearly our preferred method. Don't blow a valve if you do not see your photo on the site straight away, all photos still need a little human intervention to get to the right place with text you have supplied.

Lastly, if you have some fishing (or fishing related) gear to sell, swap, want to purchase, barter or are hoping to give away because you broke it, or if want to get your business to reach a wider audience (doesn't have to be fishing related – but you do have to be a member of Canberra Fishos), please send through any details you want published and I'll be more than happy to put it in the next newsletter, and the one after that, and the one after that, and that, and that, and that...

All of the above should be emailed to info@canberrafishos.com but also feel free to copy in editor@canberrafishos.com.

So, this bloke went fishing but after a little while found himself running out of bait. He then saw a red bellied black snake with a frog still in it's mouth. Frogs are good native bait.

Knowing the snake couldn't bite him with the frog in its mouth, he grabbed it right behind the head, took the frog from its mouth and put it in his bait bucket.

Now his dilemma was how to release the snake without getting bitten. He cleverly grabbed his bottle of whiskey and poured some down the snake's throat. Its eyes soon rolled back and the snake went limp.

He released the snake without incident and kept on fishing, using the frog as bait.

Not long after, the bloke felt a nudge at his feet. It was the damn snake again...

... with two more frogs.

Catch you next fish!

Dino

November Photo Competition

Sarah B – Jake feeding Parrots at Burrinjuck Convention

Sarah B – Jake Borman at Burrinjuck Convention

Jake B –Feeding parrots at Burrinjuck Convention

Brian S – 42 cm Bream, weigh in at 1.2 kg

Kevin S – But that's my best lure

Brian S – 42 cm, 1.2 kg Bream

Jake B – Feeding cockatoos at Burrinjuck Convention

As always, there can only be one winner and Kevin Spriggs took out the November honours and will be taking home an extra twenty bucks to spend at Tackle World Canberra at the next

Canberra Fishos general meeting. I'm a little curious to know whether the lure was in fact retrieved or not?

Judging by the increase in photos entered this month, a few more of our Club members are getting out there and wetting a line in the warmer weather. Some very nice photos all round, perhaps a few entries into the Canberra Ornithological Society newsletter too.

As always, a huge thank you goes out to our major sponsor, Tackle World Canberra.

CFC monthly photo competition, proudly supported by:

Thank you to everyone at TWC for not only keeping this photo competition alive and for your continued support in our general meeting raffles but most importantly, a huge thank you for continually stocking such a great range of gear and always being happy to extend some of the best fishing advice available in Canberra.

Tackle World News

On Monday 21 December 2015, Tackle World Canberra changed ownership and management. The store will now be known as Otto's Tackle World Canberra and is owned by the same people that own and operate Otto's Tackle World in Drummoyne (Sydney).

Matthew Perdrau (who previously managed Tackle World Canberra 18 months ago) will manage the Canberra store and all staff will remain the same, with the addition of a few new faces. The Otto's name is synonymous for best price, expert advice and exceptional customer service and in partnership with the Sydney store (and the online shop), we will be providing the same service here in the nation's capital. So be sure to drop in and see us for a fishing experience that is second only to being out on the water!

Store location and contact details will remain the same; however, our opening hours have changed. For more details please visit and like our new Facebook page

<https://www.facebook.com/OttosTackleWorldCanberra/>

Fishing Magazines for small donation CRFA

Need to free up some bookshelf space, so I'm offloading my Saltwater Fishing, Modern Fishing and Fishing World magazine collections. Complete sets from 2001-2013, take as many or as few as you like, make a small donation to Capital Region Fishing Alliance and I'll be happy as Larry..

Cheers
Shane
