About the Club

The Canberra Fisherman's Club Inc. is a sport fishing club that endeavours to promote a social awareness among its members, single or family. General meetings are held on the second Tuesday of every month at the **Eastlakes Football Club No 3 Oxley St Griffith ACT** beginning at 7:30pm. All members and visitors are most welcome.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sport Fishing Association (ANSA) affiliation fee, also able to set Australian records, and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the Recfish Australia National Code of Practice for Recreational and Sport Fishing, which endorses:

1. Quickly and correctly returning unwanted or illegal catch to the water
2. Quickly killing fish that are kept for consumption
3. Using only appropriate, legal tackle, attending gear and valuing the catch
4. Taking no more than our immediate needs
5. Supporting and encouraging activities that preserve, restore and enhance fisheries and fish habitat
6. Understanding and observing all fishing regulations and reporting illegal fishing activities
7. Preventing pollution and protecting wildlife by removing rubbish
8. Taking care when boating and anchoring to avoid damage to wildlife and habitat
9. Using established roads and tracks
10. Reporting environmental damage
11. Avoiding unnecessary interactions with wildlife species and their habitats
12. Practising courtesy towards all those who use inland and coastal waters
13. Obtaining permission from landholders and traditional owners before entering their land
14. Caring for our own safety and the safety of others when fishing.

President's Report

In our May newsletter, we have the new outings calendar and the Saltwater and Freshwater Total Length species for 2018-19. The list of outings and the new total length species was decided by our members at our May General Meeting.

The total length species for 2018-19 are Flathead for Saltwater and European Carp for Freshwater. Flathead offers an opportunity for both landbased anglers and those with boats, and in both estuaries and bluewater. We hope that European Carp will encourage our members to fish our local lakes. In previous years, our members would regularly get together to fish one of the local lakes or ponds after work. I remember quite a few evenings of fishing and BBQ dinners at the Jerra Duck Pond.

The majority of the outings were our traditional outings, but we have a couple of new ones as well. We're returning to Talbingo in October. I didn't attend the last outing the Club held in Talbingo, but it was held in February and I heard it was a bit of a fizzer. However, we used to fish Talbingo each October when the Wagga Wagga Family Fishing Club used to host the ANSA Talbingo Convention. They last hosted the Convention in October 2014, and we caught some good Browns and Rainbows at Jounama Pondage and the Club were just pipped by South Sydney AFA for the Champion Club Trophy. I can also comment from previous experience that the monster Golden Perch in Blowering Dam down the road are quite a thrill on 1 kg line.

Last time we fished the ANSA Talbingo Convention, Paul Hoath (left) claimed his maiden sportsfishing masters: a 1.15 kg Brown Trout on 1 kg pre-test, while I returned home with a 1.78 kg Brown Trout (right).

One thing I forgot to run past our members at the May General was a request from the Garran Scout Group earlier this year for a fishing clinic. We were not able to accommodate their request for a clinic last February but they were happy if we could hold one in Spring. So two weeks after the Talbingo, we will hold a fishing clinic for the Garra Scout Group on National Gone Fishing Day, Sunday, 14 October 2018. This will be a great opportunity to introduce junior anglers to fishing while helping them earn their merit badges.

In April 2019, the Club will head to Batemans Bay for the third South Coast Mighty Bonanza. Euro Fishing Association President Adam Martin is still working with sponsors to fix the date but it will be the weekend before or just after Easter. This is also an ANSA Convention with great prizes. I won \$400 at the last South Coast Mighty Bonanza for claiming first place in the Australian Salmon Length Based competition.

The full calendar of outings for 2018-19 can be found towards the end of the newsletter.

Written nominations for committee positions for 2018-19 are due on 17 July 2018. Nomination forms for committee positions are included in the newsletter. It's time for new

people to put their hand up for committee positions at the Annual General Meeting next August, including for President. After nine years on the committee, it is time for me to call it a day. You will see from Mick's Recorder's Report that he will also be taking a break. So I won't be the only committee member forward to taking a well-earned rest next August. As Mick wrote in his report, we need to rotate people through the committee so that the workload of running the Club can be shared among the members.

I see that both Mick and Lindsay both wrote about the recent Kalkite Outing. I was only there for a day trip so I am not able to write an outing report for the newsletter. I can't recall the last time I fished in such atrocious conditions at Jindabyne and it took a lot of self-motivation just to get out of the car at the Kalkite Boat Ramp.

However, I often find that crappy weather = fantastic trout fishing. You could not have asked for crappier weather and, as expected, there were some nice sized Rainbows foraging for food where the waves stirred the muddy banks. I came home with two nice sized Rainbows. Lindsay did likewise with two Rainbows, and Tom Harrington and Steve Bailey caught one Rainbow each. In addition to catching my first Trout for 2018, the other highlight for the Kalkite Weekend was Mick Peel's Spaghetti Bolognese. Thank you Mick for cooking an awesome dinner.

Finally, it pays to attend our meetings –the Lucky Member's Draw went unclaimed at the April Meeting. Accordingly, the Lucky Member's Draw will be worth \$50 at our June general meeting.

Anthony Heiser
President

Secretary's Report

This month at the general meeting, we chose the outings for the next year. It was a good mix of traditional outings with a few changes such as revisiting Talbingo again, but this time in October, when hopefully the fishing will be a better than the previous summer outings.

I was lucky enough to attend the Kalkite outing this month. Although the weather was challenging with high winds and sporadic rain as I drove down being buffeted by strong winds, I was determined to fish the weekend.

On the Saturday morning with continuing high winds and occasional light rain, I went to the Snowy Arm with its deep valley that I hoped would protect me from at least some of the wind. After a bit of a bait fish trying to keep warm, I gave up and decided to go on the move probing with lures. I eventually caught a small brown on soft plastic, which made at least that morning worthwhile.

Later that afternoon after having lunch, I decided to see if anyone was fishing in the popular Kalkite Boat ramp spot. I was lucky to find Anthony there, who had just started bait fishing from the shore with very high winds buffeting the shore. Just as we started to talk, his line went off and he pulled in a nice Rainbow Trout. I decided to copy his lead and eventually got two Rainbow Trout myself on Power Bait with Anthony getting another.

That night back at the homestead, those attending the outing were treated to an awesome home cooked dinner prepared by Mick Peel. It went down well with a few red wines as we discussed the catches for the day and what everyone had planned for the next day.

The next day the weather was overcast and cold with some moderate wind, but it was far better than the previous day. I ventured to my usual fishing spot at Waste Point which involves a solid bush walk to warm you up. After probing along the lake in one direction for a couple of hours without success, I turned to go home using another heavier soft plastic. This soon caught me a couple of reasonable Browns, both relatively close to shore.

As usual, Kalkite was an enjoyable weekend with good accommodation and diverse fishing opportunities. I am definitely looking forward to going next time.

Tight Lines and see you at the next general meeting on the 12th June.

Lindsay Steele
Secretary
secretary@canberraflashos.com

Recorder's Report

Hi Everyone,

I hope that you have been able to wet a line in over the last month and been skilful enough to get some good catches.

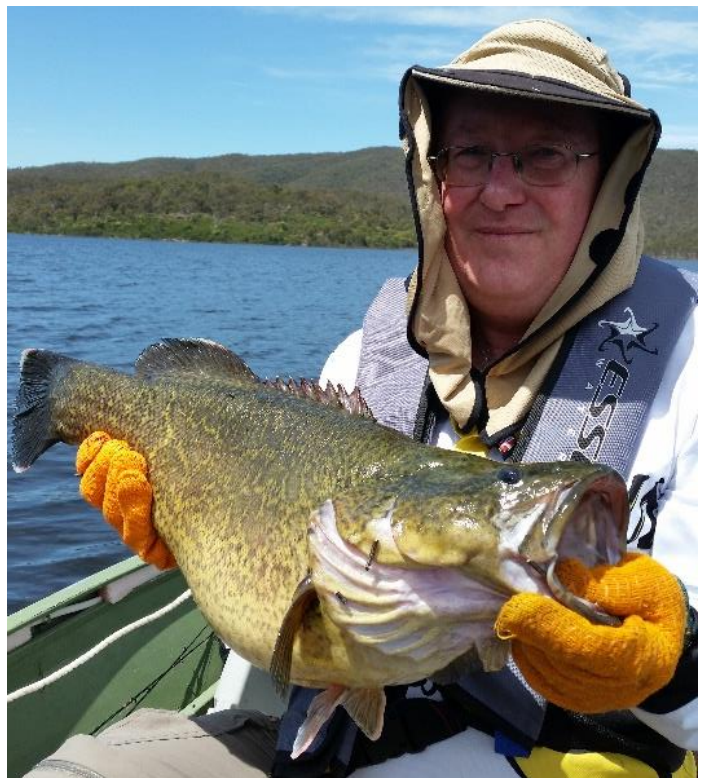

I attended the Kalkite out in May and, while I had a good time catching up with our members at the outing, the weather was shocking. I drove up Saturday morning and arrived to light rain blowing a gale and just miserable weather. I volunteered to cook the Saturday night dinner so I used this as an excuse to spend Saturday in the house preparing my dishes for those people who braved the elements and fished throughout the day. I hear a number of them enjoyed watching the lake from the comfort of their cars and did not know that they had a fish on their line until they decided to check their bait.

Sunday started out the same so after packing up, I decided that I would head back to Canberra. So I think a good rat fine is coming my way at the next meeting. If you have been skilled enough to catch a fish please email those captures to me at either Recorder@canberrafishos.com or my personal account of Mickpeel@tpg.com.au.

It is that time of the year where we do not publish the club results. I have been asked to put in the current ANSA results for this year so that you can look through the results and see if there are opportunities for you to target a particular award for the annual ANSA competition.

It is not long before we sit down and elect a new committee and I encourage you all to think about putting your hand up for a committee position. I have decided not to do the recorders job next year for a number of reasons primary work related. I will be able to help out the person who does step up and take on this role. I am going to be blunt if people do not want to be on the committee do they want the club to survive. We need to share the workload amongst the members and we can do that by rotating people through the committee.

Mick Peel
Recorder

From the Editor

Please start sending me your entries for the May and June photo comp competition for a chance to win a \$20 Tackle World voucher if you are the monthly winner.

Following Phil Lawrence's suggestion at the December general meeting, the Committee has agreed to trial the following rules for the next 12 months:

- Members can submit up to two photos per month
- The photo must either be taken by the member submitting the photo or a photo of the member holding their capture
- Minor image corrections and cropping is allowed provided this does not lead to misleading or fraudulent alteration or manipulation of the photo
- The Committee reserves the right to exclude any entries it suspects has been subject to misleading or fraudulent alteration or manipulation (e.g. changing the colour of a bucket of blood from red to black – yes someone has submitted such a photo).

We're not playing for oil wells or sheep stations so we trust there will be no motive for cheating in the monthly photo comp. The Committee will review how the new photo comp rules at the end of 2018.

I've had a bit of an IT mishap at home. I've been using my Western Digital hard drive to store my newsletters with the intention of transferring the completed newsletters to our Club's Office 365 account. Unfortunately, I've not been so diligent in transferring the newsletters and photo comp entries from my hard drive to office 365. My hard drive has died and I'll be taking it to a data recovery service next month. So it's been a bit of a miracle that I've managed to get this newsletter out this month. Hopefully, the data from my hard drive will be successfully retrieved next month.

A big thank you to the everyone who submitted photos to the April Photo Comp. There were great entries from everyone. But congratulations to Mick Peel for his awesome photo of the Long Tom from the St Georges Basin.

Anthony Heiser: Flathead and Rainbow at the ANSA Sydney Sportsfishing Tournament.

Jon Vogel: PB LBG Redfin on fly 16.0 cm 0.15 kg

Anthony Heiser: 689 mm Salmon off Cemetery Beach

Winner of the April 2018 Photo Competition

Mick Peel: Long Tom from St Georges Basin

As always, a huge thank you goes out to our major sponsor,
Otto's Tackle World Canberra.

Thank you to everyone at OTWC for supporting this photo competition. More than that, thank you OTWC for the ongoing support extended to the Canberra Fisherman's Club throughout the fishing year. Not to mention, thank you for continually stocking such a great range of gear and always being happy to extend some of the best fishing advice available in Canberra.
