# About the Club

The Canberra Fisherman's Club Inc. is a sport fishing club that endeavours to promote a social awareness among its members, single or family. General meetings are held on the second Tuesday of every month at the **Eastlakes Football Club No 3 Oxley St Griffith ACT** beginning at 7:30pm. All members and visitors are most welcome.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sport Fishing Association (ANSA) affiliation fee, also able to set Australian records, and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

## Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the Recfish Australia National Code of Practice for Recreational and Sport Fishing, which endorses:

1. Quickly and correctly returning unwanted or illegal catch to the water
2. Quickly killing fish that are kept for consumption
3. Using only appropriate, legal tackle, attending gear and valuing the catch
4. Taking no more than our immediate needs
5. Supporting and encouraging activities that preserve, restore and enhance fisheries and fish habitat
6. Understanding and observing all fishing regulations and reporting illegal fishing activities
7. Preventing pollution and protecting wildlife by removing rubbish
8. Taking care when boating and anchoring to avoid damage to wildlife and habitat
9. Using established roads and tracks
10. Reporting environmental damage
11. Avoiding unnecessary interactions with wildlife species and their habitats
12. Practising courtesy towards all those who use inland and coastal waters
13. Obtaining permission from landholders and traditional owners before entering their land
14. Caring for our own safety and the safety of others when fishing.

# President's Report

In our November newsletter, we have all the news from our 43<sup>rd</sup> ANSA Burrinjuck Convention, and a great article from our tuna king, Brian Stacy. We also have the latest ANSA Calendar for 2018. The next ANSA Convention is the Nowra Convention on 16-17 February 2018 and I have also included a copy of the entry form in this newsletter.

A big thank you to our fantastic sponsors who provided great prizes for the Burrinjuck Convention. You can find a list of our sponsors straight after Mick Peel's Recorder's Report – please support our sponsors, who have been very generous with their support for our Convention. Also thank you to Matt Pedrau of Otto's Tackle World Canberra, who has supported our Club for many years.

Thank you also to all our members who volunteered their time over the Burrinjuck Convention. The number of Club volunteers was down compared to previous years. However, those who were there worked at a calm, steady and methodical pace, resulting in one of the most stress-free weekends I have experienced. Congratulations to our members who made the weekend run smoothly:

Lindsay Steele  
Kevin Spriggs  
Tom Harrington  
Paul Breeze  
Chris Lemmon

John Bosch  
John Martin  
Michael Peel  
Albert Magassy  
Glen Malam

Mick Jewry  
Sarah Borman  
Narelle Tate  
Steve Bailey  
Karen Malam

There was also a lot of effort put in by our members in the lead-up to Burrinjuck. A big thank you to Sarah Borman, our Burrinjuck Chair, Mick Jewry, our sponsorship officer, Mick Peel, our Recorder, Glen Malam for organising the major prize for the raffle, and Paul Breeze, who organised sponsorship with Goodman Fielder.

And one more thing, thank you Elijah Canning, who filled in the First Aid Officer role at the last minute when Jason from First Aid Services became ill. Elijah thought it was a fantastic convention and had lots of praise for our Club. He is off to work as a ski instructor in Japan later this month.

If I missed anyone, please let me know and I'll discreetly update the newsletter.

Finally, it pays to attend our meetings – Narelle Tate's membership number came up in the November Lucky Member's Draw. Unfortunately, she was not there and missed out on the \$50 cash prize. The Lucky Member's Draw will be worth \$75 at our December general meeting.

# Secretary's Report

For anyone that hasn't renewed their club membership yet, please do so as soon as possible to avoid missing out on everything our club has to offer and this can be renewed through the web site.

For those that have paid for ANSA membership, I now have ANSA membership so catch up with me if you have yet to collect yours. If you require your card posted to you then feel free to contact me to arrange delivery.

The highlight of this month has been the Burrinjuck Convention. Although the numbers of club members helping out was down, the number of entrants was up on last year and everyone seemed to be having a really good time. Apart from a few rain showers during setup, the weather was really good and the fish numbers were well above the previous year.

Personally, I had a great time at this year's convention. Some of my highlights were the casual stress-free setup, helping out with the kitchen shifts, the very busy secretary's tent on Friday night, the times that I got to sneak out for a fish both on shore and in Tom's boat and the interaction with the many guests having a great time. I really have to thank all of the members that helped out at the convention both during the preparation and during the running of the convention with many people doing far more shifts than was required. I am definitely looking forward to the convention next year and encourage everyone to be involved into what is a very much appreciated event by the guests and a great fund-raiser by the club.

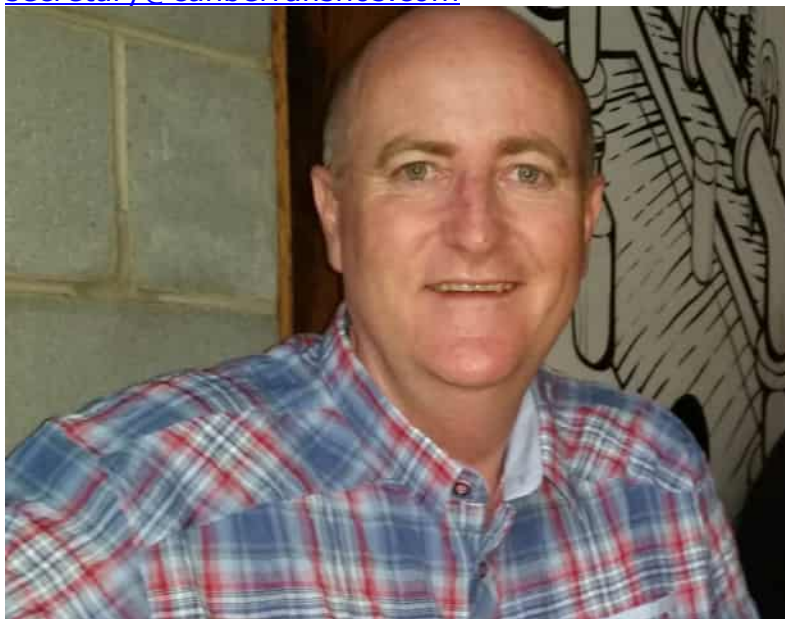

The 2017 Christmas Party is fast approaching (Sunday 11 December 2016), so if you haven't put yourselves and any juniors down, email me at the secretary's email address and I will add you to the list.

There are also upcoming events in January for the Carpathon on the 14th and the Tuross outing on the 26th to 28th. If you need further information on these events or wish to sign up, please feel free to contact me.

# Recorder's Report

Hi Everyone

I hope that you have been able to wet a line in this past month and get some good catches. The Burrinjuck convention has been held since our last newsletter and it was a successful event. The weather over the weekend was fantastic but it did rain on Friday during the set up but luckily just after we put the tarps on the frames.

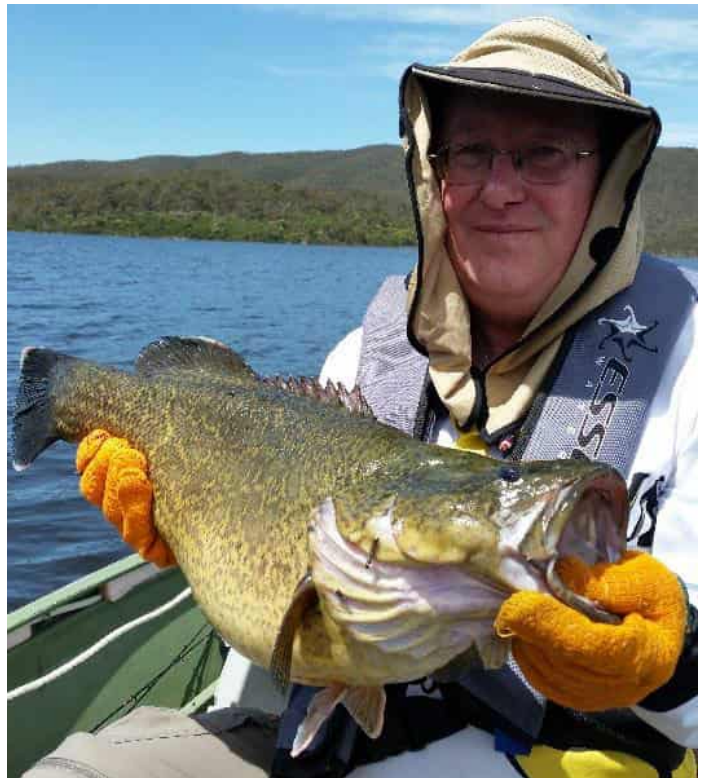

I encourage all club members to consider helping out at next year's convention. It takes a lot of effort and time to setup the convention and pack it up at the end and the more members we have helping makes it easier for all.

The convention is our primary fund-raiser so I encourage all club members to get behind the club and help at this event.

The club recorded 70 captures at the convention which brings the total captures to 129 for the year to date. The capture sheets have not been rolling in but I know that you are fishing so please record your captures and get those sheets to me either at [Recorder@canberraflashos.com](mailto:Recorder@canberraflashos.com) or my personal account of [Mickpeel@tpg.com.au](mailto:Mickpeel@tpg.com.au).

I hope with the warmer weather that I will be flooded with the capture sheets over the coming months.

Recorder

## The 43<sup>rd</sup> ANSA Burrinjuck Convention: 3-5 November 2017

by Anthony Heiser

One hundred and fifty-four anglers from New South Wales, Australian Capital Territory and even Queensland lined up for the ANSA NSW Convention at Lake Burrinjuck hosted by the Canberra Fisherman's Club. The Convention was held over the weekend of 3-5 November 2017.

With the lake at 60% and rising, and water temperature between 19°-22° C, conditions were almost perfect. The heavens did open up on Friday evening but the sunny weather that greeted anglers on Saturday morning lasted the rest of the weekend.

Nine ANSA NSW Clubs and one non-ANSA Clubs competed with Botany Bay Sportfishing Club taking out the top honours. Three hundred and twenty-one European Carp, 56 Golden Perch, and 41 Redfin Perch were weighed in over the weekend. Most Golden Perch were released unharmed after being weighed. Although a number of good sized Browns had been captured in the weeks leading up to the Convention, the Heaviest Salmonoid Trophies were once again unclaimed this year.

The ANSA competition for the St. George Trophy (the Burrinjuck Bell) comprised of nine clubs:

- Botany Bay Sportsfishing Club
- Happy Hookers Sportsfishing Club
- Outcast Fishing Club
- South Sydney Amateur Fishing Association
- Toongabie Fishing Club
- Canberra Fisherman's Club
- Ocean Beach Hotel Fishing Club
- Sea Beas Boating Club
- St George Sportsfishing Club

It was a close contest between Wollongong Sportsfishing Club and Botany Bay Sportsfishing Club, with many great captures from both clubs. But in the end, the junior anglers tipped the balance in favour of Botany Bay, who took the title of Champion Club with 42 points. In second place was Wollongong Sportfishing Club with 39 points, followed by Happy Hookers Sportsfishing Club and the Canberra Fisherman's Club on 4 points each.

As in previous years, there was strong participation by the junior anglers at the Burrinjuck Convention. While the juniors only represented 17% of all anglers, they accounted for 69% of the fish weighed in. The junior anglers represent the future leaders of our clubs, the Australian National Sportsfishing Association and the fishing community. Therefore, it is pleasing to see junior anglers getting 'hooked into fishing' at events such as the Burrinjuck Convention.

The Canberra Fisherman's Club thanks all our sponsors who so kindly donate product and services to help make this event successful. Without the sponsors this event would not be able to run. The Club looks forward to hosting its 45th ANSA Burrinjuck Convention in 2018.

Everyone enjoying the Sunday BBQ and waiting for the presentation of prizes.

# Tuna Time!

By Brian Stacy

Brian Stacy with a Blue Fin Tuna

Week after week I have been watching the weather. And I hear of tuna being caught by rec fishers and longlines. I got a text message on 8 November 2017: *ha mate give me a call when you can.*

So I rang Barry to find out what was up and he said Guy wanted to know if I was free to go for a tuna fish. Barry and I were talking about going for a flattie fish, and after looking at the weather, it was not hard to change my mind to go for a tuna fish, so we put on our thinking caps to make it happen.

Next thing to do was work out if we go out of Bermi, the Bay or Ulladulla. Looking at the Rip Chart and Fish Track on Friday night, we came to the conclusion that the better water was off at Ulladulla.

Up at 3.45am and I pick up Barry and Guy up at 4.30am and then made our way to Ulladulla.

We had boat in water by 6 am and then head out to the bait ground for some livies. We had a look around the 60 -100 fd mark where we encountered a couple of small Marlin free jumping with no hook up.

In come the gear and off we went to the 1000 fd mark and around 8.30 am, a rod goes off. Barry was out of the chair only to be told was it was the first fish for my rod and reel. And in came the first Blue Fin for the day.

Sunrise over Ulladulla

Second fish for the day: Barry with a nice Albacore

Then as game fishing goes, there was the long wait for the next fish. That fish finally came at 2.30 pm. This time, it was Barry's turn. He reeled in a nice Albacore. At that point, we managed to land a fish every half hour until we called it a day at 6 pm. Then it was an 85-minute back home.

We took home two Blue Fin, six Albacore and three Striped Tuna.

Thank you Barry and Guy for crewing for the day.

# Thank you to the sponsors of the 2017 Canberra Carp Out!

We thank you for support and for being such a big part of this year's event!

## From the Editor

It has been a busy month for me – you might have noticed a lot of activity on our Facebook Page leading up to the Burrinjuck Convention and afterwards. Thanks to Mick Jewry's efforts, we had a fantastic response from our sponsors and I spent some considerable time promoting them on our Facebook Page.

As you can appreciate, being President, Editor, and Facebook Page manager and the person who posts photo comp entries on the website, I do have my hands full.

Naturally, I will endeavour to post everyone's photo comp entries on the website as soon as possible. But please bear in mind that all this is getting done on our weekends or when we get home from work. Occasionally, updating the photo comp entries of the website takes a backseat when we've got a few too many things on our plate.

A big thank you to the everyone who submitted photos to the October Photo Comp. Matt Perdrau from Otto's Tackle World Canberra has been very busy so the Committee voted on the August, September and October photo comp entries to clear the backlog.

There were great entries from everyone. Please start sending me your entries for the October photo comp competition for a chance to win a \$20 Tackle World voucher if you are the monthly winner.

The rules of the photo comp are:

- Members can submit up to two photos per month
- The photo must either be taken by the member submitting the photo or a photo of the member
- No photo shopping or other digital enhancements are allowed

Finally, if you have some gear to sell, swap, wanted or barter then send through the details to [info@canberrafishos.com](mailto:info@canberrafishos.com). Also, a reminder for the lucky member number draw at each general meeting, you must be there to win the cash or it JACKPOTS each week until a winning member is present.
