About the Club

The Canberra Fisherman's Club Inc. is a sport fishing club that endeavours to promote a social awareness among its members, single or family.

Members of the Canberra Fisherman's Club are eligible to set Club Records and, upon payment of an Australian National Sport Fishing Association (ANSA) affiliation fee, also able to set Australian records, and World records (through ANSA affiliation with the International Game Fishing Association (IGFA)).

Unfortunately, due to the COVID-19 pandemic, the Committee has the Committee voted to suspend future General Meetings and Outings until further notice. We will review this each month.

Aims of the Club

- To promote sport fishing
- To foster the art of angling
- To teach the art of angling to new members and particularly juniors
- To promote the study and conservation of fish species and the environment
- To co-operate with and support other bodies with similar aims and ideals.

The Club also supports the Recfish Australia National Code of Practice for Recreational and Sport Fishing, which endorses:

1. Quickly and correctly returning unwanted or illegal catch to the water
2. Quickly killing fish that are kept for consumption
3. Using only appropriate, legal tackle, attending gear and valuing the catch
4. Taking no more than our immediate needs
5. Supporting and encouraging activities that preserve, restore and enhance fisheries and fish habitat
6. Understanding and observing all fishing regulations and reporting illegal fishing activities
7. Preventing pollution and protecting wildlife by removing rubbish
8. Taking care when boating and anchoring to avoid damage to wildlife and habitat
9. Using established roads and tracks
10. Reporting environmental damage
11. Avoiding unnecessary interactions with wildlife species and their habitats
12. Practising courtesy towards all those who use inland and coastal waters
13. Obtaining permission from landholders and traditional owners before entering their land
14. Caring for our own safety and the safety of others when fishing.

President's Report

Welcome to our March Newsletter, and sorry this one came out a bit late. As we're all aware, quite a lot has happened since the last Newsletter with the outbreak of the COVID-19 pandemic.

In this newsletter, we have Zane Zhao's outing report for the Narooma Convention, the Editor's own fishing report for his day trip to Narooma later this month, Tom Harrington has some items for sale, and the entries for the February Photo Competition. The Newsletter also includes a Notice to Members and Supporters regarding General Meetings and Outings during the COVID-19 outbreak.

To ensure everyone's health and wellbeing during this difficult time, the Committee voted to suspend future General Meetings and Outings until further notice. The Croatia Deakin Football Club has closed its doors and it is unlikely that alternative venues can comply with the social distancing rules and ensure the safety of our members. The social distancing measures appear to be escalating each week, making it impractical to hold our outings.

I have heard other Clubs are doing the same thing, including the ACT Fly Fishers, South Sydney Amateur Fishing Association, and Wollongong Sportsfishing Club. In addition, a number of fishing competitions have now been postponed. The Sydney Sportsfishing Tournament hosted by South Sydney Amateur Fishing Association and St George Sportfishing Club is now scheduled for 20-22 November 2020 and the Euro Fishing Association has postponed its SES Recovery Appeal Fishing Competition.

We will review this each month. During this time, the Committee will look for other ways to keep our members involved with the Club through Facebook and the Newsletter.

Finally, our lucky member draw has reset to \$25, after Zane Zhao won the draw at the March General Meeting and pocketed \$50. Congratulations Zane, I trust this will be used wisely for Zachary's home schooling expenses.

Please look after yourselves and your families. We hope to be back fishing as a Club again in the near future.

Bonnita Allen
President

Recorder's Report

G'day all,

This has been another quiet month on the fishing front. I'm sure the ongoing heat, fires, hail, floods and now pandemic haven't been very conducive to fishing for most. Aside from the Narooma convention, which only had enough club captures to count on one hand, there were only three individual capture sheets submitted.

Young Zachery Zhao certainly takes the pole position for the most memorable capture of the month with an awesome 94 cm Dusky Flathead at the Narooma convention. Congratulations on such an awesome capture Zach!

My own personal highlight was the fish that features in my photo at the bottom of the page this month. While fishing for the Pirtek fishing convention this 62.7 cm, 6.06 kg monster smashed a Mазzie vibe. The colours of the fish in the clear Googong water is always something to behold. I also learnt today that this fish has been short-listed for a prize in the Pirtek competition, so here's hoping! It was one of five Golden Perch I caught for the day.

Other than that, there's not much else to say so that's it from me this month. Tight lines and start getting those captures rolling in.

John.

I _____, declare that this capture was made by me, and weighed or measured on an appropriate device, in accordance with ANSA rules.

Signed: _____ Date: _____

WITNESS TO WEIGHT / MEASUREMENT

I _____, certify that I witnessed the weighing or measuring of the capture.

CLUB RECORDER

I _____, declare that the captures listed above have been authenticated in accordance with ANSA rules.

Notes for LENGTH captures:

1. Fish to be measured length overall i.e.: end of tail to the leading edge of the jaw, fish laying flat and tail in a natural position.
2. If no witness to length only measurement, a photo of capture on an appropriate measuring device must be submitted.
3. Preferably all claims should be accompanied by a photo of the fish on the appropriate measuring device. Video is acceptable.
4. One entry, per division, per angler, per year across divisions, upgrading of fish is acceptable.

Eligible Divisions for 12-Month Comp:

- | | | |
|--|------------------------------|---------------------------------------|
| 1. Land Based Game Species (Sport / Gamefishing capture method) | 9. Flyfishing Freshwater | 17. Length Only Carp (All) |
| 2. Land Based Non - Game Species (Sport / Gamefishing capture method) | 10. Gamefishing | 18. Length Only Trout (All) |
| 3. Sportfishing in Saltwater Estuaries & Saltwater Lakes | 11. Handline | 19. Length Only Bass (Australian) |
| 4. Sportfishing from a Boat (outside) | 12. Capture by a Lady | 20. Length Only Bream (All) |
| 5. Sportfishing Freshwater | 13. Capture by a Junior Boy | 21. Length Only Flathead (All) |
| 6. Lurefishing Saltwater | 14. Capture by a Junior Girl | 22. Length Only Salmon (Australian) |
| 7. Lurefishing Freshwater | 15. Capture by a Sub-Junior | 23. Length Only Kingfish (Yellowtail) |
| 8. Flyfishing Saltwater | 16. Tag & Release | 24. Length Only Snapper |
| | | 25. Length Only Mulloway |

General Notes:

1. Each fish submitted may only be entered in **one** of the eligible divisions 1–25 above.
2. Fish submitted for Weight Captures, cannot be submitted for Length Captures and vice versa
3. To be eligible all 12 month competition entry forms must be with the state recorder within 35 days from date of capture

Notice to members and supporters regarding General Meetings and Outings

Dear Members and Supporters, to ensure everyone's health and wellbeing during this difficult time, the Committee voted to suspend future General Meetings and Outings until further notice.

We will review this each month. During this time, the Committee will look for other ways to keep our members involved with the Club through Facebook and the Newsletter.

In the meantime, please look after yourselves and your families. We hope to be back fishing as a Club again in the near future.

Items for Sale

Tom Harrington

I have the following items for sale. Note they are currently spread between Canberra and Dalmeny:

1. All equipment to carry and use a cartop tinny, as follows:

- Quintrex 350 explorer 2008 in excellent condition, anchor, rod holders, 2 padded folding seats (removeable), paddles, fire extinguisher, fittings for a side boat loader, Piranhamax PMAX160X sounder in dubious condition with 7AH battery . (Dalmeny) PRICE: \$1500
- Yamaha 8 hp 2 stroke motor 2007, in good condition. (Dalmeny) PRICE: \$450
- "Slip n Easy" outboard motor carrier, good condition, Manu end 2008. This carrier will take up to a 65kg motor and mounts on the A Frame of a Caravan or Camper trailer. (Canberra) PRICE: \$250
- Dunbier Galvanised folding trailer with winch and lightbar Manu 11/08, ACT Reg 03/21. The trailer is in good condition and includes a caravan mounting bracket. Note these trailers are limited to 80kmh and are designed to go from a caravan park to close handy water. They are horrible things, but do the job. (Canberra) PRICE: \$600
- Rhino Rack Side boat loader 2008, in good condition. (Canberra) PRICE: \$600

2. MIN-KOTA 40ftlb 12v riptide 5 speed tiller steer electric motor, Manu 2012. 30" shaft

This motor has had very little use and is in excellent condition except for slight damage to the propeller that does not affect operation. (Dalmeny) PRICE: \$250

3. Model 12A Brooker Galvanised trailer to suit the Quintrex 350 Explorer, with winch and jockey wheel, manu Mar 2017, NSW Reg 03/21

This trailer is virtually new, has 10" galvanised wheels and a spare wheel, but no spare wheel mounting bracket. (Dalmeny) Price: \$1200.

Contact Tom Harrington on 0408774024.

Narooma Outing: 6-9 March 2020

Zane Zhao

Zane proudly holding up Zach's 94 cm Flathead caught at the Narooma Convention.

Twelve members of the club made the trek down to Narooma to fish the 52nd ANSA Narooma Convention hosted by the Narooma Sport and Gamefishing Club. The seas were predicted to be rough and the predictions came true the next day when only three boats fishing the convention made it outside for a fish. All three came back by mid-morning and thankfully, all made it back safely.

Kevin Spriggs fished Wallaga Lake all day, got wet and caught a few undersized fish. Zach and I fished Wagonga inlet where Zach landed a 25 cm Luderick and a 30 cm Tailor. We also fished Hankerchief Beach for a couple of small Flathead and Salmon.

Glen did the smart thing and stayed in to prepare his game fishing gear for the next day.

Saturday promised better weather and kinder seas, so Glen and Steve went out wide searching for the big fish while the rest of the club fished the beaches and Wagonga Inlet again.

Chris Lemmon landed a couple of small Australian Salmons and we fished Tilba Beach for zip in the morning.

We then gave Wagonga Inlet another crack in the afternoon in a hire boat. Things looked dire as none of us caught anything legal. But in the dying ten

Zach with a Luderick caught on day one of the Convention

minutes of the afternoon, Sarah, who had earlier lost her poddy mullet to a school of Tailor finally hooked up with what we assumed was a decent Tailor.

As Sarah slowly brought her fish to the surface, to our surprise the colour was not silver, but pink, and it turned out to be a 32 cm Snapper. There were no other notable captures for the day.

On the last day of the Convention, we set out to catch some poddy mullet. However, the poddies just weren't playing ball and after 40 minutes, we only managed 40, and the other fishos struggled to get any.

Given there was only half a day's fishing left and seeing a friendly face from OTY Fishing Club not getting any poddies, we offered them half of our catch. In return, they kindly gave us a tip to go north to a place they go to fish Flatties and Jewfish in the warmer months.

By 10.00 am, we had two poddies in the water at our new fishing spot. We found ourselves under attack by seagulls, one of which got tangled in my line. While I was trying to untangle the line, Zach picked up his rod to move it away from the mayhem. Soon after, he felt a tug on his line and within seconds the fight was on.

While the fish dashed around, I heard Zach repeatedly say it 'feels small' and the fish seem to come in a quite easy on the light 2 kg line.

Zach fighting his 94 cm Flathead.

Sarah with her 32 cm Snapper on Saturday

I stood by Zach watching (I didn't even have my net as I didn't think it was needed) and waiting, expecting to see a dash of silver from the Bream that I thought he had hooked.

But nothing could have prepared me for what came into view, as the line got closer I couldn't see any silver flashes. Suddenly a massive swirl stirred the water as I saw a flick of a flathead tail the size of a big Salmon tail!

While Zach was calm and collect, it was all panics stations for mum and dad as I was screaming at Sarah to get the net while screaming 'Croc, Croc, Croc', which startled Zach as he thought there was a Crocodile and he started to dance around.

I had to quickly calm him down and explain to him that I meant the fish he has hooked.

After a 10 minute fight which felt like a flash in my mind, Zach managed to reel in the big girl close enough for me to safely net it in and there was high fives and screams of excitement from the parents as Zach looked baffled by all the commotion, it was just another fish for him!

The end result was a 94 cm Flathead which had a few happy snaps with dad and was quickly let go so that she can go and produce many more offspring for our next trip.

Zach had all the fish stories to tell at the Sunday night club BBQ as we were joined by Tom and Helen as well as the outing came to a close. The convention was won by the OTY fishing club as they managed to capture and weight in quite a number of 70 – 88 cm Flatties in the Juniors and Ladies sections. Once again, it shows the Ladies and Juniors are the key to success at Conventions.

While the weather was tough and not many fish were caught, we all did enjoy a weekend away and a special thanks needs to go out to the Narooma Sport and Gamefishing Club for putting on yet another great convention after such trying times during the recent bushfires.

Left: Narooma Sport and Gamefishing Club Les Waldock presenting Zach with the Award for Longest Flathead.
Right: Les Waldock presenting Zach with the President's Award for Most Meritorious Capture.

A day trip to Narooma on 21 March 2020

Anthony Heiser

My first fish for 2020: 42 cm 0.52 kg Flathead on a chartreuse clouser.

With the prospect of the nation going into lockdown, I decided to head to the coast for a day trip. My first stop was the boat ramp at Mummaga Lake in Dalmeny where, you guessed it, I was after that 94 cm Flathead Zachary Zhao caught and released at the Narooma Convention.

Of course, the wind picked up just as I assembled my fly rod. Casting into the wind, I was in danger of getting my face whacked with a chartreuse clouser fly.

It was a rather undignified spectacle and I was forced to apply the only useful thing I learnt in Sunday School: if you're not catching fish, then try the other side (John 21:6).

So I swapped sides of the boat ramp and started casting with the wind. Things did not look promising until I saw surface activity which I assumed to be Tailor.

After some quick stripping of the line, I finally connected to a 42 cm 0.52 kg Flathead.

After landing this 42 cm Salmon, I suddenly found myself surrounded by other anglers who did not want to fish this gutter earlier.

My next stop was Cemetery Beach. The big gutter in front of the car park was already occupied by many anglers. Never mind, that smaller gutter in front of Little Lake was free, and has produced three trophy winning Salmon for me at previous Conventions. It was not long before I was fighting a 42 cm Salmon on 2 kg line. This caught the attention of others on the beach who promptly invited themselves to my gutter.

It wasn't quite like the shoulder to shoulder experience when fishing the Tailor run on Fraser Island. But maybe ScoMo and the National Cabinet could have announced specific rules for social distancing when beach fishing. However, the other anglers were careful not to get in my way whenever I was fighting a Salmon on 2 kg line, and one group of anglers even cooked me dinner afterwards.

The evening ended after a casting mishap, and I just fell one fish shy of my bag limit. So after packing up and spending 45 minutes looking for my car keys, I drove back home with what will probably be my last five fish caught for 2019-20.

My best fish for the evening was a 53 cm 1.61 kg Salmon on 2 kg line. No doubt the whole yakka inside its stomach contributed to some valuable ANSA points for the 12-month comp!

Wedgetail Eagle I spotted on the drive to the coast no doubt gave me good luck on the beach that day.

Total Length Award species for 2019-20

The Total Length Awards bring on healthy competition from the ranks of the CFC and for 2018-19, the target species are Flathead for the Saltwater section and European Carp. The new target species applies from 1 July 2018.

The target species for the 2018-19 fishing year are:

Saltwater section: Flathead

Freshwater section: European Carp

How many metres can you catch?

February 2020 Photo Competition

I have the gallery for [2019-20](#) up on the website. Please send me your photos.

- Members can submit up to two photos per month.
- Photo comp entries can be submitted via the website, the Club email address (info@canberrafishos.com) or anthony.heiser@bigpond.com or via SMS to 0402 560 880.
- Acceptance of photo comp entries submitted by other means is at my discretion – please don't make it too hard for me to access your photo comp entries.
- The photo must either be taken by the member submitting the photo or a photo of the member holding their capture.
- Minor image corrections and cropping is allowed provided this does not lead to misleading or fraudulent alteration or manipulation of the photo.
- The Committee reserves the right to exclude any entries it suspects has been subject to misleading or fraudulent alteration or manipulation.

I've seen some great captures on our Facebook Page. For equally good photos:

- Fill the frame with the angler and the fish
- Be careful not to chop the angler's head or arms or the fish in the photo
- Shoot at eye level (especially for junior anglers and anglers kneeling or sitting)
- Keep the background in the photo as simple as possible
 - Simple water and sky is best
 - Pay careful attention when taking photos on boats and boat ramps – both settings can easily fill the photo with distracting clutter in the background or around the angler

List of photo comp winners and recipients of Editor's Choice for best newsletter contributions: 2019-20

We've been a little behind on the awarding of vouchers for the monthly photo competition and best newsletter contributions. To make sure we don't lose track of all the winners, I'll keep a running list of the winners in the Newsletter.

Month	Photo comp winner		Editor's choice for best newsletter contribution
