# President's Report

Welcome to the first month of Summer for the fishing year, and the last month of 2020. In this newsletter, we have photos from the Christmas Party and Presentation Night (or afternoon), and the winner of the November 2020 Photo Comp.

We had our annual Inter-Club Challenge with the Morven-Culcairn Fishing Club at the December outing at Burrinjuck. Unfortunately, the outing was a wash-out due to the weather and no captures were entered for the Inter-Club Challenge. Since the CFC did not lose the Inter-Club Challenge this year, we have retained the Inter-Club Challenge trophy for a fifth year!

We held our CFC Christmas Party at Black Mountain Peninsula on Sunday, 13 December 2020. It was great day for family and friends. We all enjoyed a meal of KFC as we did not have sausages left over from Burrinjuck this year. This worked out great, as we were spared the chores of cleaning up and packing up the big BBQ this year.

Despite the restrictions on international travel, I secured an international travel pass and work visa for Santa so that he could visit the Christmas party and deliver lollies and presents to the Junior Anglers. Santa's arrival was followed by the presentation of trophies and certificates to our members who did well during the 2019-20 Fishing Year. Well done to all our trophy winners!

Photos of Santa's visit and the presentation of trophies can be found later on in our newsletter.

After the New Year, our next two outings are the Carpathon at Lake Burley Griffin on 10 January 2021, followed by the Tuross Outing on 23-26 January 2021. Both outings are always great and the fishing never disappoints. Further information on the Carpathon can be found elsewhere in the Newsletter.

Before I close my report, I thank the committee for all their outstanding work they put in throughout 2020, and the support and patience they have given me. Thank you also to Anthony for all the extra effort he has put the Club. I look forward to working with you all in the new year.

Finally, our Lucky Member Draw was won by Anthony Heiser at our December General Meeting. He pocketed a neat \$75 so the Lucky Member Draw goes back to \$25 at our next General Meeting at 6.30 pm, Tuesday, 12 January 2021, at the Deakin Croatian Soccer Club. Have a Safe and Merry Christmas!

# Recorder's Report

Well that's 2020 pretty much done and dusted!

After the bushfires of last summer and the COVID lockdown, it was great to start the 2020-21 CFC fishing year with a cautious outing to Ulladulla. There have been quite a few fish caught since then and the Championship table below is already looking better than the final results for 2019-20.

We have also included an update on the annual ANSA NSW 12-Month Competition below. It's great to see Canberra Fisherman's Club in equal third spot. There are heaps of categories still wide open, so there are plenty of opportunities to improve our position on the ladder. So get fishing and send those capture forms in.

Probably the most notable entry in the Club Championship right now is Anthony Heiser's assault on the Freshwater Total Length competition. He has now caught more than 40 metres of carp. If you want to catch Anthony, you will need to put in the hours – surely he'll slow down soon!

The Cod season opening outing to Burrinjuck was a bit disappointing this year, with cold windy weather shutting down the native fishing and only a handful of carp weighed in for the weekend.

Closer to home, Mitchell Malam scored a nice masters flathead in the Clyde River a few days ago. It went 2.91kg on 2 kg line and should appear on the next update of the NSW 12 Month Competition.

Looking forward, we have the Carpathon coming up in the new year (10 January 2021), followed by the annual trip to Tuross over the Australia Day long weekend (23 – 26 January 2021). Both outings are usually very popular with members, so make sure your name is on the attendance list to help with catering and accommodation.

Have a Merry Christmas and a fantastic New Year.

Glen Malam  
Recorder

## Santa ride to town at CFC Christmas Party

By Anthony Heiser

Santa arriving with Christmas cheer on the back of a red ute!

The Club held its annual Christmas Party on Sunday, 13 December 2020 with at least 22 members and their families catching up for a quite ale or soft drink and KFC.

Unlike previous years, we did not have sausages and steaks left over from Burrinjuck, hence, we decided to do a KFC run instead. This worked out well and saved everyone the hassle of setting up the BBQ and packing it up again and gave everyone more time to enjoy the afternoon.

During the afternoon, Santa secured his work visa and border pass, thus bypassing the mandatory 14-day quarantine and made a much-anticipated appearance at the Christmas Party.

After exchanging yuletide pleasantries with the senior members, Santa delighted the juniors with Christmas presents. After taking selfies with the juniors, Santa hopped back onto his magic sleigh to return to the North Pole.

A big thank you to everyone who organized the Christmas Party, and to the Rat, Mel Marlborough, whose dedication to fining our members for their fishing misadventures financed the purchase of presents. Remember, your rat fines go towards the Juniors' Christmas Presents at the Annual Christmas Party.

## Life Jacket Information to get out to members

By Chris Head

Just had my jackets by Alan and he gave me the follow information to pass onto members so they do not get fined come January. So the Stormy Jackets we got through the club all them years ago are no longer legal from January 2021 as they are under the old standard. It was an expensive visit as one of my other jackets had a hole in the bladder so three new Jackets and one serviced. But what price do you put on safety?

### **IT'S TIME TO START THINKING ABOUT UPDATING YOUR LIFEJACKETS**

Back in 2010 the standard for lifejackets was changed from AS1512 to AS4758. With that change saw the change in the way we refer to our lifejackets from Type 1, 2 or 3 to Levels 100+, 50 and 50S. For most of us it didn't really mean much at all, we could continue using the lifejackets we had but that period hasn't got much longer to go.

From January 2021, the old AS1512 PFDs/lifejackets will no longer be accepted and you must update to the current standard which is AS4758.1

## November 2020 Photo Competition

To everyone who submitted entries for the November photo comp, thank you. There were some great photos submitted. You can find the winners for this year's photo comp at [2020-21](#) on our website.

Like the September Photo Comp, November Photo Comp was a very tough choice between two photos. I was instantly hooked on Paul's photo of Narelle with her magnificent Golden Perch from Windermere Dam. The photo is beautifully framed to showcase the angler and the fish. The photo is taken at eye level, and there is no distracting clutter of things in the boat. I also have a preference for simple colour schemes in photos. Here, we have the bright pink shirt contrasted with the olive green background and fish.

The background is a little cluttered but unavoidable in that location – but there is little Paul could have done about that. If you have a DSLR in this scenario, you could shoot with a wide aperture, which will blur or 'bokeh' the background, which softens the background like this:

Paul will take home a \$25 Compleat Angler gift voucher for his efforts.

If I had the opportunity to give a second voucher, it would go to Jon Vogel. Everything I loved about Paul's photo, I love about Jon's photo. Only Jon has the luxury of a simple sky and open sea for the background. And I also love the simple colour scheme in Jon's photo of blues and pinks. It was a tough choice with two great photos, so in the end, I picked the fish that looked bigger in the photo.

If you want to take home the next \$25 voucher, please send me your photos.

- Members can submit up to two photos per month.
